WHY HELP KINGS BASEBALL?

Our mission is to give our young ballplayers the experience of showcasing their talent in places beyond their local communities, and while doing so, representing their hometown in the best possible fashion. In order to fund our efforts, players' families do pay a player fee, however, in order to provide more for our athletes, we kindly ask that you consider sponsoring our ballclub. Thank you in advance for your consideration and care.

ABOUT THE ORGANIZATION

The Kingston Kings Baseball Club supports young, aspiring baseball players in the Kitsap County area, and we are focused on giving every one of our athletes an opportunity to learn valuable lessons through the game of baseball. We currently have 11u and 15u teams for the upcoming 2025 season. We are a 501c3 nonprofit organization.
