WELCOME

Welcome to The Bridal Wedding Car, we have four luxurious vehicles to choose from for your special day.

Our cream and black Imperial Viscount, the simply stunning second Viscount in black and white and our two modern Mercedes in black and white. We hope we can be your transport for your big day and make it as special as possible for you both.

Your wedding day is something you'll cherish for the rest of your life and we would be delighted to be the ones to transport you to your new life as a married couple.

We pride ourselves on the fact that we are a family run business looking to deliver the best of service for all the couples that book with us. Our goal is to provide an experience that is both bespoke and personal to you both.

In order for us to help you to decide which of our vehicles you'd like to have as part of your wedding, we invite our couples for a viewing and to have a chat with us about the big day.

Some of the things that we take into consideration when putting together your bespoke package are: The distance that will be covered on the day, the number of passengers and how many journeys will be required.

Car hire for your wedding day includes your own chauffeur driver, complementary ribbons and fizz to celebrate!

Prices start from £380.00 for our stunning Imperials, £250.00 for our modern, luxurious Mercedes Benz and £250.00 for our second top of the range Mercedes-Benz.

Plus, if you are getting married at your chosen venue, we offer a Drive-Around and Picture Package which starts from £250.00.

BETHAN HEBDEN

"Honestly can say, our day wouldn't have been the same without The Bridal Wedding Car, the small details and the service was just fantastic! Lovely people and lovely car!"

EDEN REID

"Would definitely recommend The Bridal Wedding Car! We had such a lovely experience discussing and booking the right car with Julie.

We live about 2 1/2 hours away from our wedding venue and thought it would be difficult to view/organise getting a wedding car, but she made it so simple.

On our wedding day, David (driver) was kind, patient and a lovely & calming addition to our morning. He was even kind enough to capture some pictures for us! The car itself was amazing and we loved our time travelling in it. Thank you so much."

ELLISE DANYI-CARR

"Wow wow wow! Where do I start... My day was truly spectacular thanks to my amazing driver!"

I couldn't have asked for anything better, this company was amazing from start to finish.

Not only did they go above and beyond to ensure my day went as smoothly as possible but my driver particularly was one of the loveliest men I have ever had the pleasure to meet. He was very welcoming, jolly and professional beyond belief!

My wedding photos have turned out absolutely stunning with this gorgeous car in the background and I couldn't thank the company enough for their 10/10 service!

I will definitely be recommending to all family and friends. Thank you so so much for all the love you put into my day!"
