

Husband & Wife
Father & Mother

Verse Inspiration: The union & life of my mother Helen Guylene (Mitchell) Conner (09-21-1923 to 02-13-2015 age 91) & husband Paul Wallace Conner (see * NOTE: 08-13-1920 to 11-06-2016 age 96) (75 years together on planet Earth) Last city lived in Ocala, FL (final - Franklin Cemetery Illinois)

Dedicated to Estelle's House Hospice Ocala, FL and all who enter their loving doors.

**And the Heavens spoke saying so shall it be !
Let this Star - dust be spun into Two unique
and faithful souls , destined to eternal union
as Two lovers breathing as One .**

**And so it came to be ,
that their love bloomed like fresh Roses ,
after the snow flakes have melted
& Spring has leaped into Summer .
So it was , they became Husband & Wife .**

**The two creating a sweet bond that could not be broken ,
by the spinning world of never - ending change .
A lifetime union surviving the highs & lows of humanity ,
and mankind's flawed quest for war & peace .**

**A loving Wife providing nourishment, comfort & motherhood .
A devoted Husband protecting & teaching family values .
For who is a Mother but the giver of life .
For who is a Father but the strong hands that protect it .**

**If it were not for the Wife & Mother ,
how could a Place become a Home .
If it were not for the Husband & Father ,
how could their children grow and be free to roam .**

**For a Mother shall shine the light
of truth , faith , grace & forgiveness ,
while the father's gentle hands lead his family
thru the cloudy wandering maze of Life .**
