## We are more than just a lettings company

Creating opportunities for schools, pupils and the local community. Our approach ensures schools benefit from efficient facility hire, increased engagement, and enhanced revenue

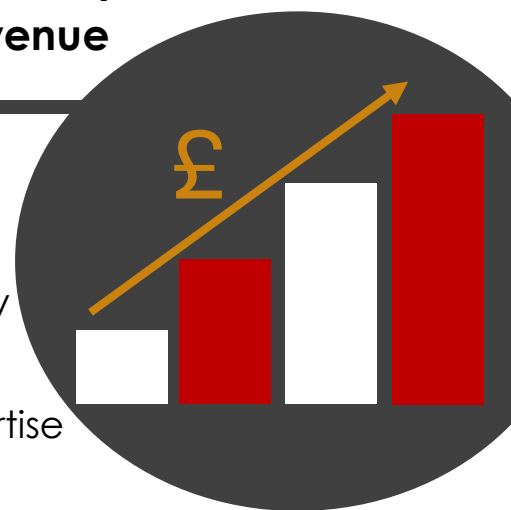

● **Lettings Management:** We manage all staffing, bookings, invoicing and operations.

● **Community:** We provide youth clubs, holiday camps and community activities.

● **Boosting Income:** Our lettings expertise maximises school revenue.

● **Strengthen Communities:** Our programmes increase pupil participation and local engagement

● **Facility Funding:** We help schools secure funding for 3G pitches, gyms, and more.

"Their community programs have supported local people and turned our school into a thriving community hub."
