### April Presidents Message

Hi everybody,

I just got word that Bowling Green has signed a deal with Bob Lazar to purchase his C4 Corvette that he has converted to run on hydrogen. Bob is the owner of United Nuclear Scientific and Switch2Hydrogen and has been retained by Bowling Green to develop the "Hydroray" due to be released in 2027.

Bob Lazar's hydrogen powered C4

The Hydroray will share much of the same technology as Corvettes current Eray including the 4-wheel drive power train. Due to the weight savings by omitting the battery the Hydroray is expected to achieve top speeds of 186 miles per hour. Torque is expected to be an amazing 547-foot pounds while the total power output will be expected

to top 600 horsepower. Use of newly developed fuel cells capable of storing liquid hydrogen will enable the new Hydroray to achieve a respectable 250 to 300 miles range between fill ups.

As an additional bonus, exhaust vapors can be converted to distilled water for other uses. GM intends to include it's soon to be patented water vapor cooling system to ensure drivers have a continuous source of drinking water at all times. Imagine pulling up to the show and shine and having a source of fresh distilled water to rinse off your ride. No need to worry about harsh minerals leaving blemishes on your paint. With distilled water a perfect shine is achieved every time. Never worry about running out of windshield washer fluid again either. On top of this a special water line will run through the engine block as a way to heat water. Imagine hot coffee from your Krupps machine at the next "Cars and Coffee" or maybe some Top Ramen is more to your liking. Road trips will never be the same.

Plans are also in the works to add this hydrogen technology to some of the other Corvette platforms. The "Hydro-Z" and "Hydro R" are currently being designed although these models may forgo the distilled water options. Potential color options on the Hydroray may include selections like Rocket Fuel Yellow or Zeppelin Silver. Maybe Hydroray in Blue is more to your liking. No matter what color you choose its sure to be a winner. In addition to new colors, factory options including a Torch Red with "Flames" package is in the works. Don't get left behind at the charging station, stay hydrated.

Please note these are unverified notes from my informants over at Corvette Internal Activities (CIA). Any relationship with factual information is strictly unintended.

That's all for this month,  
Your humble narrator and president at large,  
Matt

## VETTE GAZETTE

March was...well, MARCH. The weather was not conducive to doing much with Corvettes other than dusting them off and staring at them in the garage. So, instead of reports of events on this page, let's do another *Cascade Corvette Club History* page.

These are some events and functions we would like to see shined up and revived in 2024 (and beyond!).

One member has suggested a Corvette run that might be a bit "ambitious", but we LOVE the idea! Keep the ideas coming or plan & lead a Corvette cruise.

Winery Brunch Tour, 2009

Mystery Brunch to Three Rivers 2012

Casino Tour 2016

Rogue River 2018

Astoria Tour 2020

## Misc. Notes

2024 is Cascade Corvette Club's  
60th Anniversary!

Erica at Fiddler's Green Golf Shop Embroidery Dept. has designed a 60 Year logo for us and we have already received the first order of 33 shirts. We will be placing another round of shirt orders later in April. \* It should be noted that this SportTek polo shirt runs one size large. Some members may be looking to sell their shirts from the first order. Check the "Car Stuff" page for shirts. You can also supply your own apparel and she can embroider this logo for you for \$8.50. Order form will be attached as a pdf file.

Another Honor Flight is coming up April 25 and we have again been invited to attend the Send Off at the Eugene VA Clinic. We have been asked to arrive at 11:30 am, veterans will arrive at noon, and when the buses are loaded they will depart at 1:00 pm.

24 people enjoyed the March club breakfast at Forrester's. The April 30 club breakfast location will be announced at the April 12 meeting.

**CCC @ Eugene Emeralds**  
**Get this one on your calendars NOW!**  
Wednesday, Aug. 14

Baseball, hot dogs (no apple pie) and Chevrolet. CCC will be at PK Park to cheer on the Eugene Emeralds against the Hillsboro Hops. The reservation form is included in this newsletter. We need a minimum of 20 (we already have six paid) but no maximum. Note that the cost includes burgers, hot dogs, grilled chicken, sides & cookies AND 2 drink tickets (beer, wine, soda and water) AND includes a game ticket — all for just \$38 (kids 4-10 are \$29). Absolute cut-off is July 12.

### Corvettes at Kendall

We now have a solid plan, finances are in place & planning is moving rapidly. **We are a go! This is happening!** Set aside July 20 on all your calendars and plan on being at Kendall Chevrolet for Cascade Corvette Club's return to hosting a Corvette Show again. Registration form & flyer will be attached as a pdf file. Please forward this info to any Corvette owners you know.

Two golf days coming this summer:

BSCC Scramble - **June 5** at Spring Hill GC.  
Contact Norm at normanoswald048@gmail.com to sign up.

CCC Scramble - **August 1** at Tokatee GC.  
Contact Vic at lilbadwolfe@comcast.net to sign up. **CCC Board voted to rename this event the "Stan Stiles Memorial TNAT".**

## Happy Birthday!

**April 5 - Dick Mart**

**April 6 - David Kammerer**

**April 12 - Jan Willer**

**April 13 - April Wilson**

**April 16 - Don Thumel**

**April 28 - Sherrie Kammerer**

## Club Clothing

We have two options for embroidered club clothing & hats.

Fiddler's Green Golf Center  
Embroidery Dept.  
can order anything you like  
and will embroider our club logo  
for a small fee.

Or you may take in any garment, regardless where it was purchased and they will embroider the club logo for you.

### NCM Corvette Store

Are you like me and hate the thought of sending your no-longer-used Corvette items to a thrift store? Well... The National Corvette Museum has a solution. They are seeking your "vintage" Corvette clothing and accessories for their new Vintage Shop.

Do you have old Corvette-branded items taking up space? Instead of letting your collection gather dust, consider donating it to the Corvette Store. We're seeking all types of Corvette merchandise, including T-shirts, totes, lapel pins, and more. All donations must be clean, odorless, and in good condition.

- Donations can be shipped to the Corvette Store with Attn: Vintage Shop on the label or dropped off at the Corvette Store on Monday/Wednesday/Friday between 10am – 5pm.
- All donations must arrive in a closed bag or close box. Items not in a closed box or bag may be refused.
- Items donated will be inspected by Store associates. Items that do not pass inspection will be discarded at the discretion of store associates.
- Donations shipped to the store will not be returned.
- Items must be clean, LIKE NEW, with no stains, tears, holes, or damage.
- We ask that donations are not personalized.
- Pricing is determined by Corvette Store Associates during our product evaluation process.

Donations are for resale to continue our mission. The mission of the National Corvette Museum is to educate worldwide audiences on the evolution of the Corvette—America's Sports Car—through collection, preservation, and celebration of its legacy.
