Hi everybody.

Warning: Readers, this message may contain disturbing images. Please exercise caution and discretion while viewing. As I wandered aimlessly online, looking for Corvette photos to become my muse for this month I stumbled across this one...I've heard rumors of Corvettes used for towing in the past but never had seen the likes of this! As it turns out, Corvette Central sells the hitches and even a trailer hitch cover for Corvettes.

This sent my mind reeling with crazy visions of what someone could tow behind a Corvette...Imagine a guy towing a Harley Davidson on a trailer behind his Vette. Maybe towing a boat or jet ski. With a little work you could hook up a fifth wheel and go glamping. How long before the Vette heads to the drag strip with a hot rod in tow?

I found my crazy visions were not only accurate but well represented on line. I guess there's nothing new under the sun.

NETTE GAZETTE

If only I could see the Corvette towing a beer keg my life would all make sense.

The drawing for the Christmas-themed quilt, with all proceeds going to South Willamette Valley Honor Flight, was won by Cheryl Horowitz. I have it on good authority she slept under it that night!

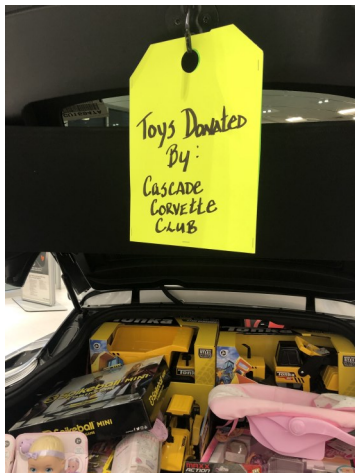

That's all for this month,
Your humble narrator and
president at large,
Matt

Misc. Notes

Stuff the 'Vette

On November 28 Cascade Corvette Club members purchased just over \$450 in toys to be donated to Relief Nursery and Pearl Buck Center. Toys were donated at Kendall Chevrolet as part of their Kendall Cares program. The toys filled the hatch area of a 2017 Corvette on the Kendall showroom floor.

In addition to the toy donation, Cascade Corvette Club also donated \$200 to the Cottage Grove Carousel and added \$400 to the \$500 Quilt Raffle tickets purchased to raise our total

donation of \$900 to Southwest Willamette Valley Honor Flight. These are all local organizations that will appreciate the financial assistance.

Long-time Members: Let's make Matt's dream come true. If any of you have a photo of Bobby's '66 with the beer trailer attached please let me know. I can scan your photo and return it to you.

Historical perspective—in the late-70's and 80's the club was a bit more "free-spirited". Some club functions were accompanied by a certain pair of characters towing a beer keg behind a '66 convertible.

Important message regarding the Board Meeting on January 9!

Instead of meeting at Thomas' this month we will be meeting at [Roaring Rapids Pizza](#). Meeting time is 2:00 pm, but if you would like to take advantage of their pizza & Salad lunch special arrive early

Cascade Corvette Club Membership in 2024

Club membership in 2023
consisted of 74 memberships with 97
Corvettes spanning all eight generations.

C1 - 3
C2 - 10
C3 - 11
C4 - 5
C5 - 24
C6 - 11
C7 - 20
C8 - 12

As of this writing, Dec. 31, 2023
we have received 42 renewals and 3 new
memberships. (This count may change
when our Treasurer returns and we are
able to verify these numbers)

I want to take a moment to
encourage those of our members who
have not yet renewed their membership
for 2024 to please consider remaining
with the club. Over the last few years
there have been several factors that
limited the activities of the club, but I
foresee a very active year ahead in 2024.
We are already hearing dates set for
Corvette events in the region, an All-
Corvette Show hosted by our club at
Kendall Chevrolet and the National
Corvette Caravan to Bowling Green, KY
in August. In addition to all that, the
2024 Board is committed to planning
more functions, road trips and local
activities to support our communities.

We are including in this newsletter
a 2024 Membership Registration form,
something I neglected last month.
