Hi everybody,

June is here and life is finally warming up. Rereading the last few presidents' messages, I realize I have spent an undue amount of time sniveling about the weather. It has been a cold wet year so far but this is Oregon (insert off color joke here) and to be expected. After hearing about the drought in the southwest I have come to appreciate rain and the lush green scenery that comes with it. Of course, it makes me appreciate a sunny day that much more... Bar B Ques might not be as special if we could hold them year-round. Those cruises with the club over back roads to new destinations are summer defined in my book. Be sure to take time in the middle of your busy schedule to enjoy summer a little, it won't last forever.

Safety Alert!!! Once again some #*&@*^+@%&# low life has used my name to attempt to defraud fellow club members. Do not be fooled, no one in the club will send you a request for funds out of the blue. Requests for funds are discussed at the board meetings and a quick phone call will clear up any confusion. Save your money for pizza!

May events included our Board meeting on May 10 and our general meeting on May 13.

Throughout the month, Saturday Cars and Coffee have been happening at the Junction City Starbucks (across from Safeway). These get togethers have been increasing in numbers as the weather improves. We meet between 9:00 and 12:00 every Saturday rain or shine. About half of the cars that have shown up are club members, the other half being new and old friends. If it's raining some members show up in, gasp, tin cars. After the meet up on May 21 five cars with seven members drove up to Monroe for lunch at the Long Timber Brewing Company. We managed to beat the lunch crowd by showing up a little before noon. This is highly recommended if you are going.

On May 24 the club held it's monthly get-together and breakfast at the Flashback Grill in Springfield. We had 19 members and 10 cars show up. After breakfast several cars went out on a cruise. If you haven't been to one of these breakfasts June would be an eggcellent time to attend.

As of this writing some of our club members are on a trip to Montana. Be sure to attend the general meeting to get all of the juicy details.

The history segment for this month will discuss a little-known trivia fact about American Corvettes. 1954 marked the release of this Corvette from a well-established manufacturing company. Based in the mid-west this company was known for quality and high performance and favored by boys with paper routes and aspirations everywhere. I can hear some of you readers yelling at the computer "Corvettes came out in 1953!!!" Believe it or not the Schwinn Bicycle company released their version of the "Corvette" in 1954. Coincidence? Hmm. Anyway, the Schwinn Corvette remained in production up until 1965.

Dedication of the month...Going out to Stan Czerniak [Chris Ledoux-Cadillac Cowboy - YouTube](#)

Big Sky Corvette Meet Whitefish, Montana

Twelve Corvettes from Cascade & Beaver State left Oregon bound for the “Big Sky State”. Along the way we saw a little of everything - snow-capped peaks, raging rivers, magnificent forests & treeless landscapes, but mostly we saw rain...lots of rain. It is said the Japanese have 50 words to describe rain. We must have seen all variations of rain.

Day One we traveled to Sandy, OR for a planned rest stop at Suburban Chevrolet, where they tried their best to sell us some “used” C8’s. Thankfully Nancy has banned me from ever owning another black car...but that black 2LT coupe was tempting. From there it was on to Kennewick via the Rowena Loops & I-84/82.

Day Two started with a stop at Country Mercantile where we bought our lunches for later in the day. Pat Melius led us to beautiful Manito Park in Spokane. One of the nicest city parks I have ever seen, but a tad short on parking. We found a gravel lot, set up our chairs and had a great time. On to Sandpoint, Idaho and we began to see tiny little splats on our windshields. By the time we got to our hotel in Ponderay, ID those little splats had gone from drizzle to light to pounding downpour.

Day Three - Ponderay to Whitefish, MT via Hwy 2. Truly magnificent scenery (as viewed through window wipers). Upon arrival at Grouse Mountain Lodge, most of us washed & dried our Corvettes and headed to the complimentary buffet and beer. It rained all night.

Day Four - We caught about a four hour break between storms for the Show-N-Shine in downtown Whitefish. Corvettes parked by generation along 3 blocks of downtown. If you are ever in western Montana, I have 3 words for you - Montana Coffee Traders. OMG!! For 3-1/2 hours we talked Corvettes and promoted the next National Corvette Caravan in 2024. After lunch we attempted the Rally. If I may brag a bit, Nancy & I are pretty good at these events. This one, coupled with the accompanying downpour, kicked our butts. Many competed, few succeeded.

Day Five was reserved for the “Fun Run” to Hungry Horse Dam, a waterfall (we didn’t hear if it had a name, so a couple of our ladies named it “Staircase”), the Continental Divide and the Izaak Walton Inn for a \$20 lunch consisting of a hamburger & potato chips. It rained. Back in Whitefish we found a spray car wash which knocked off the top two layers of mud.

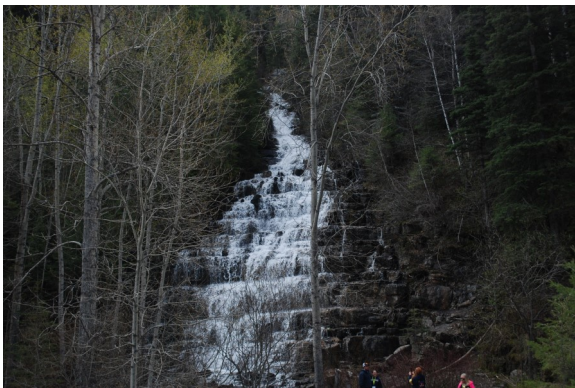

Day Six. After a quick breakfast at the Buffalo Café we headed south past Flathead Lake and some of the prettiest vistas in Montana. After Missoula, we continued south on Hwy 93 to Salmon, ID. Found the cheapest (?) premium fuel of the trip in Salmon, \$4.59.

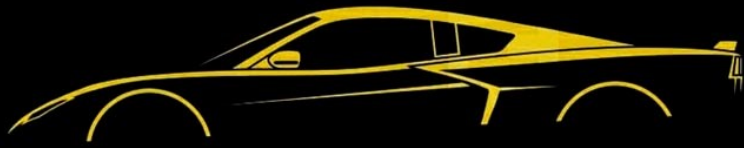

Day Seven, Salmon to Meridian, ID. 300 miles of beautiful scenery, 50 miles of chaotic hell.

Day Eight, Meridian to Prineville. Our numbers had dwindled since leaving Whitefish as some left early and others were headed in different directions to attend family events. Once we got off I-84, this was the most stress-free drive of the week. Hwy 26 across Central Oregon can be a fun and beautiful drive.

Day Nine - ***Banzai Run !!!***

Big Sky Corvette Meet

Misc. Notes

New Corvettes

Congratulations Bill & Nancy Schrieber on the arrival of your new Arctic White 2022 Coupe.

June 10 General Meeting

Our June 10 meeting will be held at Kendall Chevrolet at 6:00 pm. Weather forecasts look good, so we will probably have the Delivery Bay doors open. Masks are optional. Dinner following the meeting will be at Roaring Rapids Pizza, again, masks are optional.

There has been some interest in ordering embroidered club hats. We have a list of names and colors requested. We will discuss this further at the meeting on June 10.

The May Breakfast at Flashback Grill in Springfield was a huge success with maybe our biggest crowd since inception of this idea. The June 27 location will be decided at the Board meeting and discussed at the General meeting.

Help make the Junction City **Cars & Coffee** a success. Now that the weather is getting warmer, let's work on making the weekly event bigger. Talk to your car buddies, invite them to come to the Junction City Starbuck's (at the junction of 99W and 99E) every Saturday morning, 9am to noon. Come when you want, stay as long as you like. Let's fill the parking lot with Corvettes, Mustangs, Challengers, street rods, classics, vintage, tuners, motorcycles...you name it, we want to see it. Spread the word!

The club is looking into again participating in the Harrisburg July 4th Parade. If you are interested, we will start a list at the June 10 meeting.

Club volunteers will be building their third & final shed with Sheds of Hope on June 8 somewhere in the McKenzie River Valley. Over 130 sheds have been built for Holiday Farm Fire victims.

Happy Birthday!
