Registration is open and all the details have been finalized for our 4th Annual TC Chevy Corvette Show! Each year this show gets better and better and this year we will have Corvette judging, in addition to all the usual fun things we have done, such as great food vendors, 50/50 tickets, games, etc.

If you would like to enter your Corvette for judging, the entry fee will be only \$25! And as always, spectators and admission will be free. Please visit [TC Chevy Ashland OR](#) FB page and give them a "like" and "follow" so you can receive notifications about the event. They are a great SOCA sponsor and we appreciate their partnership with us.

Please also visit our event link to read more about the details of the event! This is sure to be a very fun day and we are excited to see you there!
