WELCOME

My mission is to empower people of purpose, Charity Executives and Social Entrepreneurs to achieve clarity, confidence, and success in their careers

My range of coaching and mentoring sessions are designed to help you tap into your inner strength and wisdom, overcome obstacles and challenges, and create a life that aligns with your deepest values and aspirations.

Whether you're looking to boost your productivity, build your confidence, find your purpose, or improve your relationships, I am here to support you on your journey.

WELCOME TO YOUR FREE TOOLS

Resilience Wheel

A simple coaching tool that you can use in your own time to discover where you are in relation to levels of resilience. It will help you see the areas that are lower than others, and plan how you work on these so you can build your resilience over time.

Coaching Call

You are entitled to claim a free 30 minute chemistry session with me, to either gain support on developing your resilience wheel or to have a general coaching conversation with me.

E Newsletter

Access to my free newsletter, so you can keep up with the way I can help you and also provides you with access to further resources.

RESILIENCE WHEEL

The Resilience Wheel is a practical framework that helps individuals understand and build resilience through six key areas. Each segment of the wheel represents a critical component of resilience. You can use this tool to assess your current level of resilience and identify areas for growth.

METHOD

1. Read through this guide in full
2. Use the table on page 5 to score yourself
3. Undertake the suggested activities
4. Reassess in one week or one month
5. Use the table on page 6 to rescore yourself
6. Concentrate your effort on lower scored areas
7. Repeat as required

OBJECTIVES & ACTIVITIES

Below is a list of suggestion objectives for each area of resilience. These outline the position, or result you would hope to achieve through the work you will be doing to improve each area.

Below each objective are some suggested activities to help you grow in each area, you can add more of your own ideas..

SIX KEY AREAS

1 Self Awareness

“To better understand my emotions, strengths & weaknesses”

Activities: Daily Journaling to keep a journal of your thoughts and feelings. Strength and weakness analysis - list your top emotional strengths and identify your weaknesses.

2 Mindfulness

“Stay present to better manage stressful situations”

Activities: Meditation - Explore simple meditation techniques. Breathing exercises - Try techniques like deep breathing or the box breathing method.

3 Self Care

“Prioritise your physical & mental health”

Activities: - Routine Health Check-ins - Create a schedule for regular physical activity, healthy eating, and sleep hygiene.
Relaxation Techniques - Do more activities like reading, creative hobbies, or spending time in nature.
