Arcus is the Latin word meaning Arch. Similar to how the Romans optimized the Arch for structural support, we have created Arcus Advisors to optimize business processes and support our clients' growth initiatives

### WHAT WE DO

- ✓ *We help Private Equity-backed portfolio companies improve results by optimizing the accounting and finance functions.*
- ✓ *We do this with quick assessments and innovative but practical solutions for long-lasting results.*
- ✓ *Arcus employs senior-level executive consultants who focus on the special projects and growth initiatives important to Investors, CEOs, CFOs and Controllers.*
