LABOR DAY

Office Closing Labor Day Holiday

In honor of the Labor Day holiday, the SRC and BRC offices will be closed on Monday, September 2. Have a safe & memorable holiday with family & friends.

Please note that trash will be picked up on Tuesday, September 3.

Emergency Response System

While anyone may test their Emergency Response System at any time, each system will be tested by the staff in the month of October. More details as to the scheduling of the testing will follow.

Emergency Response System and Cellular Phones

An increasing number of residents are eliminating their phone land line and using just a cellular phone. To be clear, the emergency response system will not work without a functioning land line. **If you already have had your land line removed, please contact the office by September 30 to have your emergency response system removed.** The removal of the system from the home will ensure there is no misunderstanding of systems operability and will help the staff maintain a more accurate database of which homes have and do not have, the systems.

Please also keep in mind to contact the office should conversion from a land line to a cellular phone ever be decided.

Approaching Staff

We pride ourselves on having a friendly and approachable Staff. However, we would like to bring a potentially hazardous situation to your attention. While you may see our Staff as they are working, many times they do not see or hear you approaching them. This causes dangerous situations to both you and our Staff. To prevent injuries from flying debris or a more serious injury, please refrain from approaching our Staff while they are operating any type of equipment or unloading trucks. *(This also applies to our subcontractors.)*

Maintenance or Landscape Items

Do you have a maintenance or landscape item that needs to be fixed or looked at? Please call the office to have it reported through our work order process. By calling the office, this ensures your issue is documented, assigned to the appropriate staff member, and tracked to completion. This also allows us to compile vital information on recurring issues or installation dates.

HVAC Repairs on SRC Community Center Roof

SRC Community Center rooftop HVAC units will be replaced sometime during the month of September. The work will require the use of a crane. For safety purposes, the main entrance doors to the SRC Community Center will not be available while the crane is needed. The entrances on the sides of the building will be available. While the exact date of the work has not yet been determined, activities planned for the SRC Community Center will be considered when trying to schedule the work.

Friday – September 20 – Schwenkfelder Library and Heritage Center, Asher's Candy & Pizza Como

The Schwenkfelder Library & Heritage Center, with its internationally recognized collections and research facilities, engages visitors in exploration of the themes of religious freedom, tolerance, migration, and heritage in their own lives and the lives of their families through the stories of the Schwenkfelders and the Pennsylvania Germans of the Perkiomen region - people whose bonds of faith, family, and community tell a fundamental American story. We will also be stopping at Asher's Candy.

Lunch at your own expense at Pizza Como

RSVP to the Office by Friday, September 13.

LEAVE SRC: 9:00 AM

Cost: \$9.00

Friday – September 27 – Jim Thorpe Train & Town Shopping

Relax and ride comfortably in our vintage coaches built as early as 1917 pulled by diesel engines. The narrated round-trip follows the majestic Lehigh River over bridges, through Glen Onoko, and into the Lehigh Gorge State Park. High-rising cliffs, mountain scenery, and wildlife surround the train along the forested route to Old Penn Haven.

Lunch at your own expense
