

JUNE 2021

From the Desk of Heather . . .

I hope you are all enjoying the beautiful spring we have been having. The campus is looking stunning with beautiful flowers and greenery! It's also great to hear and see residents active again in the community center and around campus. We have updated the COVID-19 postings with the current CDC guidelines. We continue to appreciate these small but mighty steps forward.

Each and every one of you make this campus the special place that it is. We would love to get to know you, our residents, better! In doing so, we are asking anyone who wants to share an interesting, inspirational, or funny story about their life to contact me so we can share it in the newsletter. I have met some incredible residents and have heard some amazing stories! Sharing is caring, so please send me an email if you are interested in sharing an interesting, inspirational, or funny story that occurred in your life.

I look forward to meeting all of you at the June resident meeting at the Berean Bible Church. We have created resident name tags that you will be able to pick up in the lobby of the church prior to the June meeting. The name tags are not mandatory to wear, but something that may help all of us remember names when attending a meeting or resident function. The name tag, which is a best practice in 55+ communities, has been created and laminated by our team members. The name tag includes your first and last name only. We didn't want the community or house number identified on the name tag in case it is misplaced.

Thank you again for the warm welcome you have given me. I am honored to serve you along with this fabulous team we have here at SRC/BRC. Have a great day!

Heather

Sunday, June 20 is Father's Day.
We'd like to wish all of our fathers
a Happy Father's Day!

remain with me forever. ~Author Unknown*

Happy
Father's
Day

Any items to be included in the July Ridge Reporter need to be submitted to Patty by Friday, June 18.

Resident Committee Meeting

Tuesday, June 8 at 10 AM.

(Berean Bible Church)

Contacting Office

Our phones have been ringing off the hooks these last several weeks with people interested in our community. We are asking for your patience and cooperation. If no one answers your call, rather than hanging up and dialing back immediately, we ask that you leave a detailed message instead. We will then return your call.

The Office will be closed from 12 Noon to 1 PM. This will allow the staff time to return phone calls and schedule work orders.

We are asking that you do not email staff directly with vacation schedules, maintenance or landscaping items. Staff members could be on vacation or at off-site meetings and do not always have access to their email. Calling the Office and speaking to someone directly (or leaving a message) will ensure your item is addressed.

Items for Maintenance and Landscaping

Many times our staff is approached with maintenance or landscaping items that need to be addressed while they are completing other tasks. While we would like to handle the issue right away, our policy is for you to call the Office to report these items. Your item is logged into our database which allows for proper staff assignment and tracking the status.

Items To/From Attic or Basement

The moving of items to/from the basement or attic will occur every Monday. However, we understand certain situations will arise for residents that will require us to respond outside the normal schedule. Whether you desire to schedule a move or have a more urgent need, please contact the Office.

Maintenance Manager

We are excited to announce the hiring of Joe to the position of Maintenance Manager. Joe joined our team on 1/2/2020. He has worked in both maintenance and refurb while employed for SRC. He had also worked in an interim maintenance manager role a few months ago when the position was open.

Joe has many years of experience in both maintenance and management. He has been a wonderful addition to our leadership team. While he has been offered and accepted the maintenance manager position, he is also still working in refurb until we fill his position. We have posted for the refurb/remodel technician position and are working to fill this opening. Joe has great ideas on how to improve this department. We will be waiting until we hire for the open refurb position before implementing the ideas/changes. Thank you for your patience as we transition.

PECO – Power Outages

As the summer months approach, you may experience power outages. PECO asked us to reiterate the following to our residents:

***Residents need to report an outage to PECO directly when one occurs.
Call: 1-800-841-4141***

It is important each resident who is experiencing an outage to call PECO themselves to report it. Perhaps “neighbors can check on neighbors” who might need help calling PECO to report the power being off.

Microwave Ovens We Care About Your Safety!

As a reminder, when using your microwave oven please keep the following safety guidelines in mind:

- Re-heat or cook foods for the recommended times
- Only use dishes labeled as “microwave safe” in your microwave oven
- Using metal and aluminum foil can damage your microwave oven and also create sparks which may cause a fire
 - Do not put metal dishes or utensils in the microwave
 - Do not use aluminum foil in the microwave

Locking House Windows

We recommend locking all of your windows for safety purposes as well as energy efficiency. When the windows are locked, it creates a tighter seal on the house, improving efficiency when using your Heating/AC systems.

Welcome – Summer Help

Over the next few weeks, we would like to welcome new members to our summer staff. We also have a few summer staff team members returning to help us again this year.

Here's an update. At the end of last summer, Ian joined the military to serve our country. Rumor has it he is stationed in Alaska and jumping out of airplanes!

June Pruning/Trimming

Penn Outdoor's crew is scheduled to come week of June 14 (weather permitting) to trim and prune woody plants (such as burning bushes) and evergreens (boxwoods/hollies). Flowering shrubs will be pocket pruned as needed. All others will be trimmed in September.

Chemical Application

Granular chemical application will occur to the lawns on the front, back, and sides of the homes by Penn Outdoor. The chemicals will be applied the end of June or early July (weather permitting). Updates will be placed in the US Mailbox information bins.

Please remain off these areas for approximately 1 day. If your pet goes onto the area, wash their feet as soon as they come inside.

Occasionally Penn Outdoor is required to have signage posted in our Community regarding various services provided. Should you see these signs or markers, please do not remove or relocate them.

As always, call the office should you have any questions.

Front of Home Siding Cleaning Pilot Program

While many residents desire to have the siding of their homes fully power washed annually, it is not something that can be provided as a free service to all residents, due to the finances involved, as well as the staffing time required. The residents' desire for their houses to look clean is understood by the staff. The staff also understands the potential physical limitations of some residents in cleaning the exterior of their homes. With this in mind, a pilot program will be instituted this summer to determine if cleaning of the fronts of homes including porch railings could be done economically with minimal impact on the staff. The pilot program will consist of a few high schoolers who will clean the siding of front porches by hand brushing and use of a garden hose. There will be no charge for this service. While it is understood that some residents already paid for their homes to be professionally powered washed, this process is not expected to result in the same degree of cleaning that comes from a power washer. This program is optional to residents. Should a resident desire not to have this free cleaning performed, it is requested that they call the office by Friday, June 11.

For those who allow the free cleaning, the following are important to understand:

- To be able to perform this task at all the homes at SRC and BRC, time must be limited to approximately 30-45 minutes per home. The intent is to remove as much surface dirt and pollen from the front porch, siding and porch railings within that time period.
- Porch items will be moved only as necessary to clean the house surfaces and railings. The items will not be removed from the porch during the cleaning process.
- The concrete porches and walkways will not be cleaned.
- While special care will be taken to limit the amount of soap and water that flows onto windows, the summer staff will not be able to clean windows resulting from any residue left on the glass due to the process.
- Dawn dish detergent will be used in the cleaning process. Per the manufacturer, the risk of adverse effects on the environment is considered small.
- Spraying of front doors will be kept to a minimum to limit the potential for water seepage into the home.

If a resident is concerned with any of the above, they should opt out of the program.

The program will start on vacant homes. Assuming no problems develop, the cleaning will occur on a section by section basis. Advanced notification of when various residential sections will be cleaned will be made via postings at mailboxes.

Walking, Riding, Driving Safety Reminder

We would like to remind you this is an active retirement community with walkers, joggers, & bike riders.

- Bicycles are allowed on the roadways – NOT on the sidewalks.
- Be aware that the resident exiting their garage may not see you until it is too late.
- Be aware of oncoming traffic should you be approaching a turn or intersection.
- There are to be no skateboards or roller blades on our grounds.
- Guests (or guest children with adult supervision) are permitted to ride bicycles.
- Children must be accompanied by an adult when visiting the Garden & Rec Center.

Please remind your grandchildren & visitors of the above information.

We have found that there are children (and walkers) on our grounds from neighboring communities. It is nice to know they feel safe in our community. However, we need to keep our residents safe too. Should you observe these visitors causing damage, threatening the safety of our residents, or other activities, do not approach the person. Instead, please call the office (or on-call after hours) to report the incident.

These guidelines help make our community safer for our residents and visitors.

Friendly Pet Reminder

Please be courteous to your neighbors and do not allow your dog(s) to “relieve” themselves on buildings, shrubbery/mulch or lawn ornaments. Pets must be under full personal control of an adult and when outside must be kept on a leash at all times. Thank you for your cooperation.

Ticks

Now that the warmer weather has arrived, your outside activities may have increased. Remember to check yourself for ticks if you were gardening, walking in a park or through wooded trails.

U. S. Mail

Occasionally, mail gets delivered to the wrong resident. If this occurs, please let them know you received their mail.

Farm Stand

Beginning in June, local produce will be sold Monday mornings from 9 to 11 AM in the SRC "N" Section Pavilion. The produce will come from Landis' Farm off Metka Road in Limerick.. Payments will be on an honor system. Strawberries will be available soon. Other produce will be ready mid-July. Please call SRC Resident Nancy if you have any questions.

Jeff Krick, Jr. – Elvis Tribute Artist Wednesday, June 16 – 3 PM

Jeff Krick, Jr. will be performing an Elvis Tribute. Jeff is one of the most successful and endearing “Elvis Tribute Artists” in the country. In 2016, Jeff placed #6 in the entire world. Many will remember his romantic performances here at SRC in the past.

“Elvis” will be at the Gazebo in the F Section. For residents in the F Section and Apartments, you may be able to see / hear from your porch. Others may drive and park in the unnumbered spots and listen from your cars, or drive or walk over, and bring a lawn chair.

(Rain date June 17 or 18 if needed.)

Attention SRC Singers

Are you ready for some singing? The “N” Section Pavilion has been reserved for an SRC Singers Sing-A-Long on Thursday, July 15 at 4 PM.

If you don't like sitting at the tables, bring a folding chair. There should be enough space to spread out and since we are outside it should not be a problem. More on that when I see you. If you did not return your music, please bring it with you.

Hope you can all be there. I am really anxious to see all of you!!!

- See you soon, love from Vivian
