## **St. Andrew's Welcomes New Accompanist**

Ben Rorabaugh is pursuing a Master's Degree in music at the university. With an emphasis on voice, this tenor's favorite song is "Just A Closer Walk With Thee," because "It is a touching hymn about desiring God's presence that also feels really nice in the voice-a good combo!"

Ben grew up in Long Beach, MS, the sixth of eight children. He attended Harding University in Searcy AR. He is engaged and plans to move to Nashville after completing his degree.

l.-r.: Brother Billy, Bobby Daniel, Sue and Mike Windham - not pictured Debi Freeman and Beverly Danahy.

Thanks to the St. Andrew's organizers, food providers and servers for the Wesley Foundation kickoff gathering at Ole Miss.
