Benefits of Youth Community Service:

1. Professionally

Volunteer service experience boosts resumes and scholarship applications as colleges and future employers look for those who are civic-minded. Also, volunteer skills can easily transfer to a job. Students who list community service on a resume or application have an advantage over those who do not. Volunteer experiences can also help create important connections and networking opportunities that may help in career opportunities later in life.

2. Educationally

One study that analyzed data from the National Educational Longitudinal Study found that community service gives students an edge in problem-solving skills, school performance, effective planning skills, and ability to work within a team.

3. Personally

On a personal level, teens learn how to interact with people from a variety of backgrounds. Also, serving others increases happiness, reduces stress and anxiety, gives opportunities to make new friends, increases confidence, and allows one to help others while contributing to a meaningful cause.

Working with the Wreath Adventures project, in conjunction with Wreaths Across America, also furthers patriotism and an understanding of local history in youth as the WAA mission of *Remember, Honor, Teach* is carried out by honoring the courage and sacrifice of local veterans.

Local youth are encouraged to participate in local wreath-laying opportunities, as well as raise funds for purchasing wreaths to be placed on veterans' graves. Each participant will receive a Certificate of Participation.

WREATH ADVENTURES, LLC

WHO: You! We are looking for those who are interested in honoring our veterans and remembering their service.

WHAT: Each December on National Wreaths Across America Day, the mission to Remember, Honor and Teach is carried out by coordinating wreath-laying ceremonies at Arlington National Cemetery, as well as at more than 2,500 additional locations in all 50 U.S. states, at sea and abroad, including local ones in our state.

Join us by volunteering or sponsoring by contacting Wreath Adventures, LLC
www.wreathadventures.org

WHEN: Saturday, December 17, 2022

WHERE: There are several cemetery locations to choose from. Go to www.wreathadventures.org for more information.

WHY: We understand we have Veteran's Day in the fall and Memorial Day in the spring, but our service members sacrifice their time and safety every single day of the year to preserve our freedoms.

In many homes, there is an empty seat for one who is serving or one who made the ultimate sacrifice for our country. There is no better time to express our appreciation than during the hustle and bustle of the holiday season. Do you have someone in your own family who has served in the military or know someone who does? We hope you will join us to show our veterans and their families that we will not forget. We will never forget.
