

Church of Christ

College Scholarship Program

The following outlines the responsibilities, policies, procedures and forms for the operation of the COC Scholarship Program at the St. Joseph Church of Christ in St Joseph, Illinois.

1. The COC Board of Trustees is responsible for the oversight and management of the COC Scholarship Program. They will update and make revisions to the program as needed.
2. Funds for the COC Scholarship Program are provided by The Maude Davis Trust and other willing scholarship contributors. The amount provided by The Maude Davis Trust is determined by the structure of The Maude Davis Trust and the annual performance of its annual farming operations. As such, the amount of scholarship funds available can vary each year.
3. Trustees will set the amount of the scholarship awarded each student and may retain a portion of the total scholarship funds to offset potential shortfalls in future years. Retained scholarship funds will only be used for future scholarship awards.
4. Scholarship applicants must love the Lord and exhibit a genuine concern for His work. Applicants must be regular attenders of the St Joseph COC and be active in its faith life. As students they must also be regular attenders of a local Christ based church, or Christian Campus House while at their college location.
5. Applicants must be a high school graduate or have earned a high school degree equivalent.
6. Applicants should apply for their first semester of college attendance before their 20th birthday to receive ongoing consideration for scholarship funds. Applicants serving in the military have one year to apply for scholarship consideration after returning from active duty or their 25th birthday, whichever comes first.
7. Applicants may receive up to 2 semesters of scholarship funds for each year of the degree or certificate they are pursuing to a limit of 8 for those pursuing a 4-year degree. Qualified students pursuing a full-time career in ministry at a Bible College may be awarded 2 additional semesters of scholarship funds to cover an additional year of study.

8. Students must be enrolled as full-time students, taking 12 hours or more per semester in pursuit of a degree or certificate.
9. Students pursuing graduate, advanced degrees or summer classes are not eligible for scholarship awards under the COC Scholarship Program.
10. All scholarship applications will be reviewed by the COC Board of Trustees. The Trustees may also schedule applicant interviews and may also consult with church elders as part of the review and approval process.
11. To determine students worthy of scholarship awards, the Trustees will evaluate each applicant on the basis of their:
 - a. Faith statement
 - b. Church life participation
 - c. Career goals
 - d. Education being pursued
 - e. Extracurricular activities
 - f. Grade performance
 - g. Letter of reference
 - h. Other considerations
12. If applicants believe they have other circumstances or reasons they should be considered for a scholarship award they should attach a written explanation to their application packet for consideration.
13. Scholarship awards are made annually, but paid out before each semester. Approved scholarship funds are paid in the form of a check from the COC Scholarship Fund.
14. Some colleges need to receive church scholarship funds direct in order to provide scholarship matching funds. Students who need to have their check sent direct to their college need to indicate their mailing preference on the scholarship application form. Otherwise the check will be sent to the student's home address.
15. Students receiving scholarships from the COC Scholarship Fund are responsible to notify the church office if their college enrollment status changes or if the student is at risk of not earning the expected GPA for a given semester. Unused

scholarship funds for cancelled semesters will be returned to the COC for future scholarship awards.

16. First time applicants must include a hard copy of their high school transcripts with their application. Renewal applicants must include a hard copy of their previous semester's grade both with their annual renewal application and separately at the completion of each fall semester. The expected grade performance for the COC Scholarship Program is a 3.0 GPA on a 4.0 scale for both initial and renewal consideration.

17. The COC Scholarship Application can be printed off from the church's website. Both initial and annual renewal applications and related documents for scholarship consideration must be submitted to the COC Church office in hardcopy by the 28th of February for the upcoming fall and spring semester school year. Students will be notified of their award status by the 31st of March.
