Work Experience

- Deluxe Modular Intermediate Architectural Designer**
New York, NY
May 2019 - Present
Worked on multiple phases of projects involving modular steel construction. Put together complete sets and details and coordinated with contractors on a variety of project types. Designed multiple iterations of modular homes to be developed upon purchase.
- Florida International University Graduate Assistant**
Miami, Florida
Dec 2017 - May 2019
Managed multiple levels of Structural Engineering courses with over 140 students each working under Shahin Vassigh. Instructed multiple weekly lab sessions and led teams of other assistants to coordinate the class.
- Kraftwerk Competition Head Designer**
Shoppingen, Germany
May 2017 - Jul 2017
Worked as head designer for Thomas Spiegelhalter and Peter Drecker to propose an entry for a competition in which participants were asked to redesign a street and its surroundings in a village in Germany.
- Franchise Creator Manager + Graphic Design Consultant**
Miami, Florida
May 2015 - Dec 2016
Worked to ensure that employees were performing up to company standards and maintaining good client relationships. Responsibilities also included consultations with clients to generate ideas for graphic design solutions to ultimately be used for marketing and distribution materials used to sell franchises for the company.

Education

- Florida International University Masters of Architecture**
Miami, Florida
Aug 2014 - May 2019
Accepted into the highly competitive accelerated masters of architecture program. Graduated with a GPA of 3.91.
- University of Miami Bachelors of Biology**
Miami, Florida
Jan 2013 - May 2014
Completed 40 credits of Biology and Chemistry coursework on a Pre-Med track before deciding to change majors and pursue a degree in Architecture at FIU.
