

THE EQED CLASSROOM

LEVERAGING SELF-AWARENESS TO CREATE ENGAGING ENVIRONMENTS

Are you Ready to Transform your Teaching Experience?

In her book, *The EQed Classroom: Leveraging Self-Awareness to Create Engaging Environments*, Dr. Phyllis Donatto provides educators with practical tools and strategies to harness the power of emotional intelligence. Drawing on her years of experience and research-based practices, she introduces innovative frameworks like the C³ Key Principles™—Connection, Communication, and Collaboration—and the SEE ME Framework™ to help educators build trust, improve classroom management, and inspire student success.

What Educators Are Saying

"I love everything about this book. Every Educator needs The EQed Classroom."
Dr. Diane Newton, Federal Programs
Director

"This book should be in the hands of and available to every novice educator. It should be used as a basis for in-service at the beginning of each school year. Everything else can take a backseat the first week of school." Gwen Lewis, Retired Principal
