

Reluctant Sale: Apollo & DreamPod Float Tanks (Emerald, QLD)

Due to our clinic's upcoming move, we regretfully must sell our **Apollo and DreamPod sensory deprivation tanks**—a decision we wouldn't make if space allowed.

Ideal Buyers:

- **Clinics/Spas//Gyms:** Add float therapy as a premium service.
- **Private Users:** Install one at home, use one in a commercial setting/or sell the other one
- **Buy the package deal** for private use with a second person who's also interested. Saving you thousands.

This is a heartfelt sale—we'd love these tanks to go to someone passionate about float therapy. Priced for a quick sale
