# INDIA'S FIRST MULTI UTILITY FARMING TOOL

The Krishi-Raj GEN 3 is designed to revolutionize farming in India. The Krishi-Raj GEN 3 runs on electricity and can be used for a variety of tasks. It's an ideal partner to the modern farmer – a farm power tool that works in harmony with nature. It also saves farmers from the hassles of getting diesel and carrying out maintenance by providing them with an easy to handle, efficient and time saving solution.

**CHARGE AND RUN  
UPTO 6 HOURS**

**100% RUNS ON  
ELECTRICITY  
NO MAINTENANCE**

**SAVE UPTO**

**₹ 70000/-**

**ANNUALLY**
