District 3 News & Information

Greetings!

Welcome to 2020!

Saying goodbye to 2019 was bittersweet. As you know, it was a busy year with many great accomplishments. 2020 promises to be just as busy and there are numerous projects that will be completed in 2020.

I am looking forward to the inaugural group of the Tamarac Youth Council getting started this month, with high school students becoming involved in our city government in a new and exciting way! What a great way to get our young people involved and to get their feedback on the programs and decisions that affect their lives. I will be sharing more about the Youth Council once we have the members selected!

Tamarac Village is looking great with the apartments on line to be completed in the new year. Colony West Clubhouse and the Fairfield Hotel should be open sometime in the latter part of this year, just in time for holiday parties!

Tamarac's First Youth Human Trafficking Awareness Summit

January is National Human Trafficking Awareness Month, with January 11th being National Human Trafficking Awareness Day. In recognition of this, Tamarac will be hosting it's first Youth Human Trafficking Awareness Summit on January 11th at the Tamarac Community Center, in conjunction with the Children's Services Council of Broward and the Broward Human Trafficking Coalition. The Summit will have two breakout sessions;

one for middle and high school students and one for parents and community members. The idea is to make people aware of the signs of human trafficking and to open a dialogue with the community so that people know the signs of trafficking and what to do about them.

I am looking forward to a very productive 2020, and as always I thank you for your interest in what's happening in our City and for the support you continue to show of the issues and program that important to our community.

Warm regards,

Julie
