## District 3 News & Information

Hello JULIE,

When I think of November a couple of things come to mind; Veterans Day and Thanksgiving.....

For me Veterans Day is a culmination of being grateful to our military, past and present all year round. Did you know :

- The Department of Defense employs about 1.8 million people on active duty. It is the largest employer in the United States, with more employees than Exxon, Mobil, Ford, General Motors, and GE combined!
- Fewer than 28% of Americans between the ages of 17-23 are qualified for military service, roughly one in four.
- The United States has 737 military installations overseas alone.

It is important to realize just how much our military does so that we can stay a free nation.

As for Thanksgiving, I love to begin with the Turkey Trot at City Hall bright and early on Thanksgiving Day! Gives me a good reason to have a large breakfast before heading home to cook and eat more. Having done the Turkey Trot I feel justified in eating off and on throughout the day!

For me the symbol of Thanksgiving should be a piglet!

## Community Engagement Liaison for District 3, Gabriela De Silva

Many of you have asked me how did I get everything I do, done? Well the answer is that there is so much more I want to do but just haven't had the time or energy to get to it. Now, I will have some help! The Commission approved the hiring of Community Engagement Liaisons for each Commissioner and I am excited to announce that Gabriela will be starting this month!

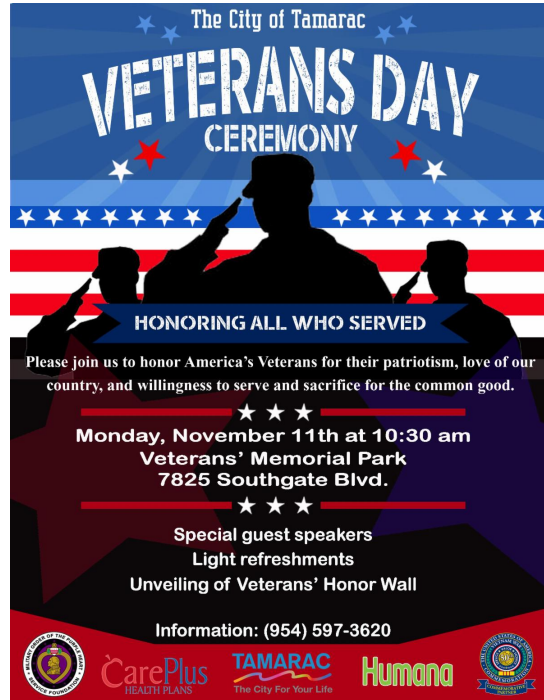

While Gabriela is new to our community, she has an extensive background in government and is pursuing her Masters degree at FAU in Global Risk and Corporate Responsibility. I will be able to have Gabriela help me with much of the social media, research, and planning to enable me to spend even more time in the District.

Please join me in welcoming Gabriela!
