

Curator Intern at the historic Salubrious House Plantation

Charles Town, WV

6-month fixed term position.

The Curator Intern will play a key role in managing and caring for the historic Salubrious House Plantation collection (furniture, instrument, paintings, family archives) and library, while supporting the ongoing development of our exhibitions and research services. This position offers a unique opportunity to gain hands-on experience in collections management within a small but dynamic heritage team. Working closely with the Prime and a dedicated team of volunteers, interns and staff, this role will contribute to future strategic planning for collections development and assist with the planning, curation, and installation of the flagship Civil War exhibition and associated programming.
