ACACIA

About

ACACIA is a 40M Sunseeker motor yacht with a tri-deck and five-cabin configuration. The full-beam primary suite on the main deck features his & hers sinks and a walk-in shower. The remaining four en-suite guest cabins are on the lower deck: two VIP suites and two twin cabins (each twin cabin can be converted to a double and have an additional Pullman berth).

The sky deck features a Jacuzzi, sit-up bar, sun pads, fitness equipment, and cooling misting systems. The dining table provides an al fresco dining option and can seat up to 10 guests when extended. The upper deck aft has a second al fresco dining table that can seat 10 guests. It leads into the upper salon with a wet bar, breakfast table, and entertainment area. Entertainment onboard features Starlink, multiple access points, DirecTV, all major streaming services, Kaleidescape, and video games. ACACIA's main deck includes a 10-person formal dining area and a large formal salon that leads out to the aft deck, where there are couches for relaxing above the swim platform.

M/Y ACACIA is charter ready and in 2022 underwent a \$1.8M refit at Lauderdale Marine Center in Fort Lauderdale. The full list of upgrades, spares and inventory is available on request.

The 35' Scout is not included in the sale of the vessel but it can be purchased separately.

Upgrades & Refit Work

Major service or upgrades to all systems

Starlink installation

\$260K interior soft goods upgrade

New carpet throughout and Teak refurbishing
