- d. **Maintenance.** Each Owner must keep the Lot, all landscaping, the Residence, and all Structures in a neat, well-maintained, and attractive condition.
- e. **Appearance.** All Residences shall conform with other Residences within the Subdivision. The exterior of each Residence shall be maintained in a suitable condition that is harmonious to existing and proposed Residences. The minimum size porch landing shall be four feet by six feet (4' x 6') and constructed of new wood material. No used material will be accepted. If porch roofing is built, all porch roofing used must be of new material and must be covered with composition shingles, new metal roofing or other material approved in advance by the ACC.

- p. ***Fences, Walls, and Hedges.*** No fence, wall, or hedge may be located forward of the Residence's exterior wall line that is closest to the front boundary line of the Lot on which the Residence is situated, except for trellises and decorative fences that are approved by the ACC; PROVIDED HOWEVER, with the written approval of the

ACC, fences of open construction under three (3') feet in height may be constructed in front of the residence and in front of the building set back line. No side fence shall be located on any corner Lot nearer than the interior building setback line shown on the Plat. E. Association

1. **Establishment and Governance.** The Association has been established by filing its certificate of formation and is governed by the certificate, this Declaration, and the Bylaws. The Association has the powers of a nonprofit corporation and the property owners association for the Subdivision under the Texas Business Organizations Code, the Texas Property Code, and the Governing Documents.

2. **Rules.** The Board may adopt rules that do not conflict with law or the other Governing Documents. On request, Owners will be provided a copy of any rules.

3. **Membership and Voting Rights.** Every Owner is a Member of the Association. Membership is appurtenant to and may not be separated from ownership of a Lot. The Association has two classes of voting Members:

- a. **Class A.** Class A Members are all Owners of Lots in the Subdivision, other than Declarant. Class A Members have one (1) vote per Lot. When more than one person is an Owner, each is a Class A Member, but only one vote may be cast for a Lot.
- b. **Class B.** The Class B Member is Declarant. The Class B Member has twenty (20) votes for each Lot owned by Declarant in the Subdivision. The Class B Membership ceases on the earliest of—
 - i. the expiration of the Developer Control Period; or
 - ii. such earlier time as Declarant shall determine.

Upon the expiration of the Developer Control Period, if the Declarant owns any Lots in the Subdivision, the Class B Membership will convert to Class A Membership.

During the Developer Control Period, the Class B Member will have the exclusive right to (i) appoint the Directors of the Association, subject, however, to the provisions of Texas Property Code §209.00591(c), (ii) amend the Certificate of Formation of the Association, (iii) amend the Bylaws of the Association, and (iv) amend this Declaration of Covenants, Conditions, and Restrictions.

- b. **Members.** The ACC consists of at least three (3) persons appointed by the Board. The Board may remove or replace an ACC member at any time.
- c. **Term.** ACC members serve until replaced by the Board or they resign.
- d. **Standards.** Subject to Board approval, the ACC may adopt standards that do not conflict with the other Governing Documents to carry out its purpose. On request, Owners will be provided a copy of any standards.

2. *Plan Review*

- a. ***Required Review by ACC.*** No Residence or Structure may be erected or placed on any Lot, or the exterior altered, unless plans, specifications, and any other documents requested by the ACC have been submitted to and approved by the ACC. The plans and specifications for all Residences must show the exterior dimensions, square footage, building materials, color scheme, and proposed location of the Residence. Additionally, the plans and specifications for manufactured home Residences must show the make, model, and year model. The plans and specifications for Structures must show exterior design, height, building materials, color scheme, and location of the Structures. All plans and specifications must be in the form and detail the ACC may require.
- b. ***Procedures***
 - i. ***Complete Submission.*** Within thirty (30) days after the submission of plans and specifications by an Owner, the ACC must notify the submitting Owner of any other documents or information required by the ACC. In the absence of timely notice from the ACC requesting additional documents or other information, the submission is deemed complete.
 - ii. ***Deemed Approval.*** If the ACC fails to give notice of disapproval of the plans and specifications to the submitting Owner within thirty (30) days after complete submission, the submitted plans and specifications are deemed approved.
- c. ***Appeal.*** An Owner may appeal any action of the ACC to the Board. The appealing Owner must give written notice of the appeal to the Board. The Board shall determine the appeal within thirty (30) days after timely notice of appeal is given. The determination by the Board is final.
- d. ***Records.*** The ACC will maintain written records of all requests submitted to it and of all actions taken. The Board will maintain written records of all appeals of ACC actions and all determinations made. Any Owner may inspect the records of the ACC and Board.
- e. ***No Liability.*** None of the members of the ACC, the Association, any member of the Board, or Declarant shall be liable for any loss, damage, or injury arising out of or in any way connected with the performance of the duties of the ACC, except to the extent caused by the willful misconduct or bad faith of the party to be held liable. In reviewing any matter, the ACC shall not inspect, guarantee or warrant the workmanship of the improvement, including its design, construction, safety, whether structural or otherwise, conformance with building codes, or other governmental laws or regulations or whether the improvement is suitable or fit for its intended purpose. Furthermore, none of the members of the ACC, any member of the Board, or Declarant shall be personally liable for debts contracted for or otherwise incurred by the Association or for any torts committed by or on behalf of the Association, or

for a tort of another of such individuals, whether such other individuals were acting on behalf of the Association, the ACC, the Board, or otherwise.

G. Variances

Authority to Grant. The Board may authorize variances from strict compliance with any of the provisions of this Declaration when circumstances such as topography, natural obstruction, hardship, aesthetic, or environmental considerations may require. Such variances must be evidenced in writing and must be approved by at least a two-thirds (2/3) vote of the Board and shall become effective upon execution of the variances. No Board member, except a representative of Declarant, shall participate in any voting, in the capacity as a Board member, regarding a variance involving that Board member's Lot or the improvements thereon. If such a variance is granted, no violation of this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular provision thereof, nor shall it affect in any way the Owner's obligation to comply with all applicable governmental laws and regulations. No granting of a variance shall be relied on by any Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Declaration.

H. Assessments

1. **Authority.** The Association may levy Assessments to promote the recreation, health, safety, and welfare of the residents in the Subdivision, to fund operating expenses of the Association, and to improve and maintain the Common Area.

2. **Personal Obligation.** An Assessment is a personal obligation of each Owner when the Assessment accrues.

3. **Creation of Lien.** Assessments and all other charges to an Owner authorized in this Declaration are secured by a continuing vendor's lien on each Lot, which lien is reserved by the Declarant and assigned to the Association. By acceptance of a deed to a Lot, each Owner grants the lien, together with the power of sale, to the Association to secure Assessments.

4. **Commencement.** A Lot becomes subject to Assessments on conveyance of the Lot by Declarant. Notwithstanding any provision to the contrary in this Declaration, no Assessments shall accrue or be assessed against Lots owned by Declarant, whether such Lots are unsold Lots remaining in Declarant's inventory or have been previously sold or conveyed and subsequently foreclosed on or repossessed by Declarant.

5. Regular Assessments

- a. **Rate.** Regular Assessments are levied by the Board, annually, to fund the anticipated operating and maintenance expenses of the Association. Until changed by the Board, the Regular Assessment is \$325.00 for each Lot.

- b. **Changes to Regular Assessments.** Regular Assessments may be changed annually by the Board. Written notice of the Regular Assessment will be sent to every Owner at least thirty (30) days before its effective date.
- c. **Collections.** Regular Assessments will be collected annually or monthly in advance, payable on the first (1st) day of January (if the Regular Assessment is collected annually) or the first (1st) day of each month (if the Regular Assessment is collected monthly).

6. **Special Assessments.** In addition to the Regular Assessments, the Board may levy Special Assessments for the purpose of funding the cost of any construction, reconstruction, repair, or replacement of any capital improvement on any Common Area in the Subdivision or for any other purpose benefitting the Subdivision but requiring funds exceeding those available from the Regular Assessments.

7. **Fines.** The Board may levy a fine against an Owner for a violation of the Governing Documents as permitted by law.

8. **Subordination of Lien to Mortgages.** The lien granted and reserved to the Association is subordinate to any lien granted by an Owner against a Lot not prohibited by the Texas Constitution. The foreclosure of a superior lien extinguishes the Association's lien as to Assessments due before the foreclosure.

9. **Delinquent Assessments.** Any Assessment not paid within fifteen (15) days after it is due is delinquent.

I. Remedial Rights

1. **Late Charges and Interest.** A late charge of \$25.00 may be assessed for delinquent payments. Delinquent Assessments accrue interest at the rate of ten (10%) percent per year. The Board may change the late charge and the interest rate.

2. **Costs, Attorney's Fees, and Expenses.** The Owner is liable to the Association for all costs and reasonable attorney's fees incurred by the Association in collecting delinquent Assessments, foreclosing the Association's lien, and enforcing the Governing Documents.

3. **Nonjudicial Enforcement by Association.** In the event of the violation of any covenant herein by any Owner or occupant of any Lot and the continuance of such violation after ten (10) days written notice thereof, or in the event the Owner or occupant has not proceeded with due diligence to cure the violation or complete appropriate repairs and maintenance after such notice, Declarant or the Association shall have the right (but not the obligation), through its agents or employees, to enter upon such Lot and to secure compliance with the restrictions and/or to restore such Lot to a neat, attractive, healthful and sanitary condition. The Declarant or Association may render a statement of charge to the Owner or occupant of such Lot for the cost of such work. The Owner or occupant agrees by the purchase or occupation of the Lot to pay such statement immediately upon receipt. In the event of the failure to pay for such work, the amount of such statement may be added to the Assessments provided for herein and shall be secured by a lien on the Lot in the same manner as such Assessments. The Declarant, the Association, or their agents

and employees shall not be liable and are hereby expressly relieved from any liability, for trespass or other tort in connection with the performance of the maintenance and other work authorized herein.

4. *Nonjudicial Foreclosure of Lien.* The Association may foreclose the Association's lien against a Lot by power of sale as permitted by law. The Association may designate a person to act as trustee or otherwise to exercise the power of sale on behalf of the Association.

5. *Judicial Enforcement.* The Association may bring an action against an Owner to collect delinquent Assessments, foreclose the Association's lien, or enforce or enjoin a violation of the Governing Documents. An Owner may bring an action against another Owner to enforce or enjoin a violation of the Governing Documents.

6. *Enforcement by Declarant.* Declarant shall have the right at any time (whether or not Declarant is then a Member of the Association or owns any Lot or other property in the Subdivision), but not the obligation, to enforce compliance with the covenants, conditions and restrictions contained in this Declaration or in any of the other Governing Documents, or any amendments to the Declaration or Governing Documents.

7. *Remedy of Violations.* The Association may access an Owner's Lot to remedy a violation of the Governing Documents.

8. *Suspension of Other Rights.* If an Owner violates the Governing Documents, the Association may suspend the Owner's rights under the Governing Documents in accordance with law until the violation is cured.

9. *Damage to Property.* An Owner is liable to the Association for damage to the Common Areas caused by the Owner or the Owner's family, guests, agents, independent contractors, and invitees in accordance with law.

J. Common Area

1. *Common Area Easements.* Each Owner has an easement in and to the Common Area, if any, in the Subdivision, subject to the right of the Association to—

- a. charge reasonable admission and other fees for the use of recreational facilities, if any, situated on the Common Area, and if an Owner does not pay these fees, the Owner may not use the recreational facilities;
- b. suspend an Owner's rights under the Governing Documents;
- c. grant an easement approved by the Board over the Common Area for utility, drainage, or other purposes; and
- d. dedicate or convey any of the Common Area for public purposes, on approval by a vote of the Members holding at least two-thirds (2/3) of the total votes of the Association at a meeting in accordance with the Bylaws.

2. *Permitted Users.* An Owner's right to use and enjoy the Common Area, if any, extends to the Owner's family, guests, agents, and invitees, subject to the Governing Documents.

3. *Unauthorized Improvements in Common Area.* An Owner may not erect or alter any Structure on, or clear, landscape, or disturb, any Common Area except as approved by the Board.

K. Required Subdivision Improvements.

1. *Dedication.* Certain subdivision improvements which are required by the subdivision regulations of Montgomery County and/or the City of Cut and Shoot, Texas have been dedicated for the use and benefit of Owners within the Subdivision. The Association shall be responsible for the maintenance and upkeep of these required improvements and shall be authorized to assess and collect the Assessments against the Lots and to expend funds so collected for such purposes.

2. *Street Lights.* The Association shall be responsible for the operation and maintenance of any street lighting within the Subdivision until such responsibility is assumed by a public entity.

These facilities are intended to contain the storm water runoff associated with the development of the Subdivision. The Association shall be responsible for the operation and maintenance of these facilities.

4. *Open Space and Common Areas.* The Association shall be responsible for open spaces and Common Areas, if any, within the Subdivision. These facilities, if any, are dedicated for the use and benefit of Owners within the Subdivision only.

L. General Provisions

1. *Reimbursement of Declarant.* Recognizing that some of the costs of administration and maintenance of the Association may have to be subsidized by Declarant, the Directors (whether the Directors are same as the Declarant, its agents, servants, or employees and without being liable for any claim made by any Member of the Association that the Directors' duty to the other Members of the Association has been breached due to a conflict of interest) may execute promissory notes and/or other instruments evidencing any debt the Association owes the Declarant for monies expended by the Declarant or loaned to the Association by Declarant for and on behalf of the Association.

2. *Term.* This Declaration runs with the land and is binding for a term of twenty (20) years. Thereafter this Declaration automatically continues for successive terms of ten (10) years each, unless within six (6) months before the end of a term, the Members holding at least two-thirds (2/3) of the total votes of the Association elect not to extend the term. An instrument reflecting the decision of the Members not to extend the Declaration will be executed by the President of the Association, attested by the Secretary and recorded in the Official Public Records of Real Property of Montgomery County, Texas.
