Steve Gesell withdraws from LD1 Arizona House of Representatives race

COTTONWOOD: The last four months of campaigning have been inspiring, educational, and humbling. The connections they have made throughout the campaign thus far, have been phenomenal people who are invested in the future of our great State and Country. The American spirit is alive and well in Yavapai County and within our legislative district.

Unfortunately, Steve Gesell is withdrawing from the race for AZ House of Representatives for LD1. Shifting family dynamics would make spending legislative sessions in Phoenix untenable for the near future. Steve's wife, Nesa and Steve want to thank all those that supported the campaign.

The intention is to return all donations to those that financially supported the campaign over the next several months. He would like to express deep gratitude to the fellow candidates in the AZ House of Representatives LD1 race. As competitive as the political arena can be, Steve experienced complete civility from those seeking the same office and he wishes them all the best.
