

## Valhalla Maine Coons Adoption Questionnaire

Reason for this questionnaire:

To let us know about you and your home environment to ensure that a suitable home for one of our Maine coon's kittens. Maine coons are very loyal to their owners and deciding to adopt a Maine coon is a big commitment and we want to provide you with the absolute best kitten for your family!

Please select below what waiting list option works best for you and your family:

Option #1: **paid waiting list.** Signed contract with a \$ 500.00 nonrefundable deposit due before the litter is born. This will cover any breeding pair, notice that mating's are subject to change from year to year.

- The deposit will allow you to be on our paid waiting list. We work though the waiting list in order that the signed contract and deposit were received.
- The deposit will be required upon competition of this questionnaire and a returned contract is received.
- The deposit is applied to the final amount of the kitten of your choice.

Option #2: **Non-Paid Waiting List.** No deposit required and it is a first come first serve waiting list.

- There will be a mass email sent out to those on our Non-Paid Waiting list if kittens become available. If you choose to adopt a kitten at that time you will be required to sign a contract and pay the non-refundable deposit.
- If you are the first one to respond you will have 2 business days to return the signed contract and 3 business days to pay the \$500.00 deposit.
- If you are unable to return a signed contract or pay the deposit within the given timeframe, we will move to the next available person waiting for a kitten.

Please note that the final payment for the kitten must be paid within 14 days (about 2 weeks) business days before the kitten is picked up or delivered to you. If we deliver the kitten to you an additional fee can be added to cover transportation.

**Kittens will be ready to go at 18 weeks (about 4 months) of age. They will be spayed or neutered at this time as we only provide pets and do not offer breeding rights.**

Our goal is to ensure a good match between our kittens and prospective adoptees. If you have any questions, please ask! All our kittens are treated like our furry babies, and we take pride in every one of them we have raised. Our only hope is that they will get the same love and care in their new home as we provide them in our home!

Thanks for you taking the time to fill out this application and adopting from Valhalla Maine Coons!
