Welcome

Welcome letter

Congratulations on your engagement! Thank you for considering River City Event Rentals to be part of your wedding day. We believe your celebration should be as beautiful and unique as your love story, and this guide is designed to help us understand your vision, plan every detail, and create an unforgettable experience for you and your guests.

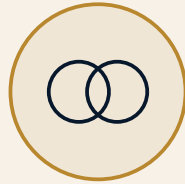

Our promise

Beautiful equipment, professionally cleaned. Comfortable for your guests. Delivered on time, set up correctly, and picked up when the celebration is over - so you can spend your wedding day focused on what truly matters.

We set the stage. You make the memories.

Our Story

Why “joy” means so much to us

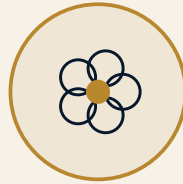

When we planned our own wedding, we discovered something that surprised us: planning a wedding is exciting, but it can also become overwhelming. We found ourselves obsessed with every little detail, wanting each guest to feel welcomed, comfortable, and excited to celebrate with us. Watching our family and friends laugh, celebrate, and make memories together reminded us why these moments matter so much. That experience eventually became River City Event Rentals.

The River City difference

- [] We treat your rentals like they're for our own wedding
- [] Every piece is professionally cleaned and inspected before delivery
- [] We deliver, set up, and break down - so you never lift a table
- [] One point of contact from your first call to your last dance

So you can spend your wedding day focused on what truly matters - each other.
