TENTED CELEBRATIONS & FINISHING TOUCHES

01 / FIND YOUR BEGINNING

Four celebrations. Your own story.

From a close gathering to a generous celebration, begin with the scale and feeling that fit your day.

Collection	Starting at	Seats*	The feeling
The Intimate	\$2,495	48	Dining-focused
The Classic	\$5,495	96	Dinner & dancing
The Grand	\$8,995	144	Layered atmosphere
The Estate	\$12,495	200	A fuller setting

Every collection includes its listed tent, furnishings and lighting, plus layout consultation, scheduled installation and removal. Each tier is a complete, separate list of inclusions.

*Seats are the supplied dining-chair quantity, including the couple. Final covered capacity depends on the approved layout, site and venue requirements. Ceremony seating is separate.

All amounts are USD. Pricing assumptions and additional charges appear on page 9.

An elegant dinner with the people closest to your heart.

20' x 40' tent

THE FOUNDATION

One 20 x 40-foot tent; the standard service described on page 9.

MAKE ROOM FOR YOUR DAY

A dining-focused starting layout. Dancing, a buffet or a separate ceremony may require more covered space and a revised quote.

MAKE ROOM FOR YOUR DAY

For more than 200 dining seats, a band, large stage or separate lounge, we prepare a custom layout and quote. Fresh florals and climate equipment are extra.

Moments that feel like magic.

Optional enhancements, available with any collection.

A Bubble Send-Off

FROM \$95

A joyful shimmer for a garden exit or a few unforgettable photographs.

One bubble machine, one gallon of solution, placement and a setup test. A designated event contact operates it; an attendant can be quoted.

DESIGNED FOR YOUR SETTING

Outdoor effects require venue approval, suitable surfaces, power and favorable conditions. Placement and output are confirmed in advance. Extra time, fluid or machines are quoted separately.

Add-on prices assume the same scheduled package delivery. Standalone delivery is extra.

The finishing touches.

Choose a few meaningful details, then let the whole setting feel beautifully considered.

An elevated seat

Chiavari upgrades for The Intimate or The Classic: from \$5 per chair, replacing the included resin chair.

Your ceremony

Additional ceremony chairs, aisle details, fresh or faux florals, and arch draping are quoted to your design.

Room to linger

Lounge seating, cocktail tables, expanded bars, additional dance floor and a stage are quoted to the layout.

Comfort after sunset

Heaters, fans, sidewalls, power distribution and added coverage are quoted to the site and season.

Fog and low-lying cloud effects are separate options and are quoted by equipment type. An ordinary fog machine does not create the same effect as a low-lying cloud system.

A beautiful plan starts here.

What the starting price assumes

One event day; one setup and one removal visit; accessible, level ground suitable for the quoted tent installation; and agreed standard service windows. Included placement covers the listed rental items in one approved layout. Moving chairs or tables during the event is additional.

What your proposal will confirm

The address-specific delivery and collection charge is quoted separately. Tax, permits, special anchoring or ballast, sidewalls, subflooring, generators, difficult access, extra labor and after-hours work are additional when needed. Site conditions can change the tent specification and price.

These are equipment-rental collections. Catering, alcohol, bartenders, flowers, dinnerware, a DJ and wedding-day coordination are not included. A bar cart or counter is furniture only. Your signed proposal defines quantities, rental dates, availability, service windows and payment terms.
