

**CE Instructions for
WC4847-091624: Current Issues in Immunization Webinar
(Credit expires 10/21/2024)**

Instructions for Obtaining Continuing Education (CE)

To receive continuing education (CE) for WC4847-091624: Current Issues in Immunization Webinar, please visit [CDC TRAIN](https://www.cdc.gov/train/) and search for the course in the Course Catalog using WC4847. Follow the steps below by 10/21/2024.

1. Register for and complete the course.
2. Pass the post-assessment at 80%. **There are only 2 attempts allowed.**
3. Complete the evaluation.
4. Visit "Your Learning" to access your certificates and transcript.

The course registration code is RVS-2024.

If you have any questions or problems, contact CDC TRAIN via email at TRAIN@cdc.gov. You may also contact the CE Coordinator at NCIRD, Melissa Barnett, at MBarnett2@cdc.gov.

PROGRAM DESCRIPTION: The "Current Issues in Immunization" webinars are live, 1-hour presentations combining an online educational presentation with a live question and answer session. These presentations are designed to provide health care providers with the most up-to-date information on immunizations and are presented by the National Center for Immunization and Respiratory Diseases.

OBJECTIVES: At the conclusion of the session, the participant will be able to:
Describe an emerging immunization issue.
List a recent immunization recommendation made by the Advisory Committee on Immunization Practices.
Locate current immunization resources to increase knowledge of team's role in program implementation for improved team performance.
