We're building a future where no one is left behind – democratizing career access and upskilling for the overlooked & the curious.

**OBJECTIVE**

# LMS MIKRO

- Learning Management System delivered as a service.
- We design, build, & host your courses, for you.
- It's not just another LMS – it's a true plug & play dashboard.
- Just switch on & go live.

Create interesting & interactive  
upskilling programs without  
spending time, money, & human  
effort.

We are taking up this hard part!

**UN-CREATE**

# UPGRADE

Make your students smarter, sharper,  
& job-ready.

Automate teachers' trainings.

Setup a controlled digital environment  
to imbibe the future.
