Step further into the Healing Light of Jesus as you pray this prayer of preparation:

Lord, You are the light of the world. You have invited me out of darkness into your marvelous light and I now have the light of life. I am nourished and rejuvenated by your words and understanding. You lead me and guard me as I walk out Your purpose in my life. I am protected as I put on Your armor of light. I have faith that You will continue to rescue me and draw me more fully into Your glorious array of light. May Your love continue to soften my heart and may Your light guide my steps. I invite You to release Your light in a new way in me and invigorate newness in my relationship with You, so that I may shine with all the brilliance You intend Your children to display.

Jesus' Healing Light Shines on Women in Recovery

In March, LLP held 7 recovery meetings for women, with 30 personal encounters, where we focused on Step 3 – *We made a decision to turn our lives and wills over to the care of God.* The women had no trouble in recognizing the heavy yoke of addiction. They shared their feelings of being trapped and unable to break free on their own, saying:

"Drinking at first was manageable but quickly changed."

"20+ years later, this path creates even more problems."

"Narcotics helped me to feel open and not shutdown; I was happy, but I became obsessed."

"While using I was yoked to bad people and now that I am sober, I realized I had to let them go for my sanity."

"Honestly, I know I am yoked to Jesus, but I still want to do things my way – it's hard some days!"

"I don't know who my higher power is, but there is one."

"I want to take a path that keeps me from straying and isolating. I need strength to follow through and stay with the program."

Join us in praying for each one to experience the brilliant light and healing love of Jesus who invites us all to:

Come to me all who are weary and carry heavy burdens, and I will give you rest. Take my yoke upon you. Let me teach you, because I am humble and gentle, and you will find rest for your souls. For my yoke fits perfectly, and the burden I give you is light. (Matthew 11:27-30)

While deeply spiritual, it is also intensely practical and would make a great study for couples in healthy and hurting marriages, as well as for those contemplating marriage."
