

LISTEN LOVE PRAY

Lucinda, Nancy, Ken

A DAY OF IMPACT HEALING PRAYER ON THE MOVE

Ken and Lucinda Nelson, cofounders of LLP, recently traveled to **Lake Deaton UMC in The Villages, Florida** to partner with Nancy Wilson in the healing prayer ministry she leads. <https://www.lakedeatonumc.com>.

In just 24 hours—alongside Nancy’s incredible team—they **led 34 private healing prayer sessions**, supported the launch of Nancy’s class “Prayers That Heal the Heart,” taught on “the problem of sin,” and facilitated a powerful healing prayer gathering for 60 participants.

All glory to God for His amazing grace at work through every moment.

THE REAL FAITH BY CHARLES S. PRICE

Faith is not intellectual, but spiritual. It is primarily of heart – not of mind. Genuine, scriptural faith is not our ability to count it done, it is the deep consciousness, divinely imparted to the heart of man that it is done. It is the faith that only God can give.

MULTIPLICATION IN MINISTRY

A STORY OF GOD'S MOVEMENT

God continues to open new doors for LLP in powerful ways. Last year, a team of two volunteers visited Kelsey's House at **Solid Ground Recovery** for a scheduled private healing prayer session for one resident. (<https://solidgroundrecoveryhomes.com>)

Prayer meeting at Solid Ground Recovery Kelsey's house, Frederick, MD

What began as one woman seeking prayer quickly multiplied—she invited four others to join. As Holy Spirit energized the Scripture reading, He began to move deeply in each woman's heart. What was meant to be one session became a **powerful time of ministry for five.**

Seeing the hunger for more, Judy Winfield, LLP's women's recovery coordinator, launched a new outreach. Now, **every 2nd Tuesday morning, a team gathers to offer WRPM "women's recovery prayer ministry"** for anyone who shows up; typically 5 ladies who are current residents of the sober home.

We are so grateful for the way God is expanding His healing love within the recovery community—and for the new volunteers who have stepped in to serve.

All glory to Him!

ANSWERING THE CALL

LLP'S NEW HEALING PRAYER PHONE LINE

Thank you to each and every one of you for pouring your time, heart, and gifts into the development of LLP's new Healing Prayer Phone Line ministry. We are so grateful to have **23 compassionate volunteers** already serving!

From discovering a nonprofit Google Ads grant, to creating the ad, building the website, setting up a new hotline number, launching social media, developing guidelines, training volunteers, and establishing our Talkroute account—this has truly been a beautiful team effort every step of the way.

Let's continue to join together in prayer, asking the Holy Spirit to flow gently and powerfully through every connection—bringing His love, comfort, and healing to those who are hurting.

If you feel drawn to be part of this ministry, we would love to welcome you. Training is available—please reach out at judylistenlovepray@gmail.com.

HEALING BEGINS WITH A PRAYER

At Listen Love Pray Foundation, we believe that Jesus' love and healing are boundless, reaching people wherever they are.

Our Prayer Line Ministry offers a dedicated space for people to call, share their hearts and receive prayer from compassionate, trained prayer line ministers. We believe Jesus is the true healer—the One who meets each person intimately in their time of need, who restores the broken, and gently transforms hearts.

You are not alone; hope, peace, and encouragement are just a phone call away.

INTENSIVE PRAYER MINISTRY FOR MEN IN RECOVERY

14 LLP volunteers with 5 recipients

An LLP team prays for TeAndre at IPM (Pic used with their permission)

On April 11th, LLP held their first IPM specifically geared toward the needs of men in recovery.

Five residents of the Changed Life Recovery Program (FRM) learned about ways to heal from Rejection, Negative Expectations, Bitter root mindsets, and Identity issues. Fourteen LLP prayer ministers formed five teams and each man received two, hour-long healing prayer sessions. In His perfect timing and with His amazing grace, Jesus brought His healing love to the hearts of everyone who attended. All glory to God through whom all things are possible.

I had deep wounds for a long time, especially from rejection and dealing with situations with my father and my stepmother. Thank you LLP for walking me through and (helping me) to allow Christ to come in. I tried to do it for a long time in my own strength and my own power - so just coming to IPM today was massive for me. And it was absolutely necessary because I couldn't do it without the help of LLP who allowed Christ to work through their prayers. Thank you very much.

- Chris

NEW VOLUNTEERS

Tess Rollins

Over the years, my life has been deeply transformed through the Lord's guidance and grace. Living in the Frederick area with my husband, Doug, I experienced a season where I was in need of healing. During that time, the Lord led me to LLP, where I found support and care, and the tangible expression of God's love working through others. I feel a deep calling to give back and am excited and honored to serve Him by volunteering with LLP, sharing the same healing love that was so freely given to me.

Lynne Moore

Lynne lives in the Laytonsville area with her husband, her son, and his family. She feels called to share the love and care of Jesus by supporting others through prayer. Lynne hopes to faithfully pray with both seekers and committed Christians who reach out to the LLP ministry during times of need, offering encouragement, compassion, and a listening heart.

Brenda Knill

Brenda feels deeply called to volunteer and serve Jesus through LLP's Christ-centered healing ministry. Over many years of volunteering, she has come to realize that serving others is not just an activity, but her true passion. Her heart's desire is to help those in need and be a source of support and encouragement.

Diane Watson

Diane lives in The Villages, Florida, with her husband, Tim. She was introduced to LLP in February when co-founders Ken and Lucinda Nelson visited her church to support the healing ministry. In addition to serving in the Florida ministry, Diane felt called to volunteer with LLP to share the love and peace that Jesus offers through the new prayer line. It is her hope to serve with compassion, offering a listening heart and faithfully lifting others up in prayer.
