Sharing Love via Deep Healing Training for Gettysburg 4-square

God shared His love with the World in Jesus.

For God so loved the world that gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned. —John 3:16-18

We also know that nothing can separate us from God's love in Christ Jesus our Lord: not death or life, not angels or rulers, not present things or future things, not powers or height or depth, or any other thing that is created. —Romans 8:38-39

This month we pray that you are able to see, feel, and embrace the infinite love of God. From hospital rooms to joyous celebrations to everything in between, we proclaim the truth that nothing can keep us from the love of God. Death cannot! Life cannot! Angels cannot! Sickness cannot! Leaders cannot! Any other power cannot! Hard things now or in the future cannot! The world above or the world below cannot! Any other living thing cannot keep us away from the love of God which is ours through Christ Jesus our Lord.

God Loves You just the way you are!

His Love is Always with You

The joy of the Lord is Olivia's strength

My granddaughter has cerebral palsy. On January 9, 2024 she had a five-hour spinal surgery and is half way through a challenging in-hospital recovery period. In all of this, the Lord has shown me how children can be some of our greatest teachers.

Olivia is 5 years old and knows what it is to experience pain while having to push herself even on those days she does not have the desire to do so. Yet, Jesus's presence upon Olivia has been undeniable. Her perseverance has shown our family and all the medical personnel that when we come as children, in faith, we can move mountains.

What seems impossible can be accomplished through Jesus's mercy and grace as we believe **HIS love is never ending.**

— Karen Poetzsch (LLP healing prayer minister)

Olivia works hard to lift her leg up. She makes this face every time, but is determined and perseveres. She also works hard to walk. All glory and praise to God from whom all blessings flow!

 **I** am loved, and I am wanted

My healing prayer session was a time of wonder. The LLP team led me through a Conception to Birth prayer and God revealed how close He was to me even while in the womb; He was there for every moment. He also revealed to me that at my birth, while I was very unwanted by my family, He had planned for me and that He had wanted me. I felt Him say to me in those moments, "They do not understand. But I do. And it is okay because I have plans for you."

In the moment of His words, given at my birth, I felt almost as though it was, "Look out world!" I have been created with purpose, I am loved, and I am wanted. My earthly family may not understand (in fact, they never really have ever understood so many things about me), but my Creator does, because I am who He created me to be. And therefore, I am free to be who He created me to be. Lol, lookout world!

I also gained a perspective of what my parents were going through. And that, I think, will be a whole other area of healing, if I am willing to pursue it.
