7 Visions for SOMETHING MORE

In a few words a vision statement provides a lot of value. It outlines a company's desired outcome, and it communicates intentions and hopes for the future. You might recognize some popular visions:

Disney: "To make people happy"

Google: "To provide access to the world's information in one click"

Uber: "We ignite opportunity by setting the world in motion"

Ben & Jerry's: "Making the best ice cream in the nicest possible way"

Those phrases can bring a smile to our faces; who can find fault with creating the best ice cream and making people happy? The messages are so simple, so easy to understand and agree with. But most likely, the statements were painstakingly developed by a team of highly competent marketing professionals with the intent of driving profits.

LLP's vision came directly from God—to bring programs of hope and healing to our community & local recovery centers with the love of Jesus. For me, that elicits a deeper response and ignites a hope for the light and love of Christ to break through the darkness of our world. The vision reveals a Kingdom purpose that LLP

accomplishes one by one, as we listen, love, and pray with every individual who seeks God's help.

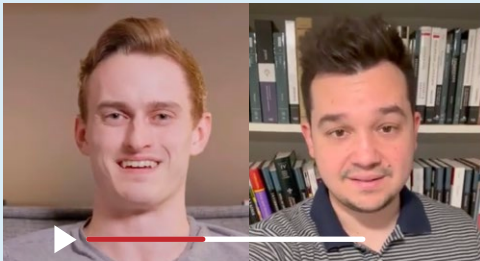

18 months ago, God gave **7 visions** to LLP for the June 2024 healing conference. Our planning team has worked diligently to remain true to these visions during the planning of the most exciting Christian healing conference to come to the mid-Atlantic in years. We truly hope you can attend—if not for the full event, then for 1 or 2 days. As you read through the visions, open to Holy Spirit and if you feel a "tug" on your heart, prayerfully consider joining us. Registration is open until June 4 (click [HERE](#) to register).

1. **LLP sets the stage for folks to see God's amazing light and be moved by the swoosh of Holy Spirit**
2. **A space full of God's goodness to retreat from daily responsibilities**
3. **Within the rich love of Christ is shelter, simplicity, goodness, peace, laughter. Tell them I love them**
4. **People carrying burdens first encounter Jesus' love, then His light, then His "much more" at the center**

Lucinda Nelson, LLP Executive Director

Meet Lucinda & Ken.

Ken and Lucinda Nelson founded LLP on May 4, 2017 in answer to God's call to bring the hope and healing love of Jesus to anyone in need. Lucinda is the Executive Director. Ken is Vice President of the Board of Directors and serves in several volunteer roles. They live on a small farm in Maryland where they raised 3 children (Steven, Kristin, and Scott) and now have the joy of interacting with 6 grandchildren.

Within the different facets of LLP is the recovery ministry which, in large part, developed as a result of God working within the Nelson family as their son, Scott, battled for 14 years against addiction.

"For a long time, our lives were consumed with the chaos that addiction brings and the despair of seeing our child's physical, mental, and spiritual health being destroyed by this deadly disease. In 2011, we experienced, in a way like never before, the love of Jesus and the power of Holy Spirit at a Christian Healing Ministry conference. We found renewed hope, healing, and strength. We couldn't stop talking about what we were experiencing as we dove deeper into healing prayer classes, deliverance conferences, Celebrate Recovery and healing prayer sessions. Scott also sought healing and would bring friends in recovery to healing prayer and CR. We became familiar with local sober homes and together with our daughter Kristin and a group of friends, began to visit the residents with programs of hope and healing. Many of the beautiful, brave people we met had fatal relapses and we realized that every encounter was priceless as we helped them experience Jesus' love. Scott suffered a fatal relapse in 2019 at the age of 28 and now lives with Jesus in heaven. His impact on our family and the LLP recovery ministry is a lasting testament of how God's limitless love reaches out to the lost and truly does bring beauty from ashes."
