JESUS the Power of ONE

The power of One rocked the world! *A thrill of hope, a weary world rejoices, for yonder lays a new and glorious Lord.* This was The ONE. The Healer and Deliverer. The Restorer and Redeemer. The Messiah. *Fall on your knees, O hear the angel voices, O night Divine, O night when Christ was born!*

Jesus Christ came into a dark world and radiated perfect love and brilliant light. In His presence, people found hope, healing, love, and blessing. In his final days on earth, Jesus prayed that his disciples would all be one; *that we would experience such perfect unity that the world would know that God sent Him and that God loves us* (John 17:21,23 NLT). This prayer is realized when our lives flow in tandem with Holy Spirit and we operate in the Power of The One!

The Power of One is at work at LLP! God's grace multiplies any ONE thing that is offered to Him by our faithful supporters and works through our ministries with beautiful displays of healing in our community. One prayer has great power and wonderful results (James 5:16TLB). One donation results in God opening the windows of heaven and pouring out blessing after blessing (Malachi 3:10 CEV). One song of praise brings the holy presence of Almighty God (Psalm 22:3 NLT). One offer of forgiveness snaps the chains of condemnation (Luke 6:37). One decision for Christ results in eternal life (John 3:16 NIV).

With Jesus, anything we freely offer Him has the potential to do *immeasurably more than we could ask or imagine, according to the power (of The ONE) that is at work within us* (Ephesians 3:20). Think of the 5 loaves and 2 fish that fed 5,000 people (Matthew 14:13-21) or the wedding at Cana when 6 jars of water were turned to wine (John 2:7-8). Ponder Tandi's recent testimony, *"I know that anything I give to Jesus will be used and multiplied"*

Thank you for your financial offerings. Thank you for your volunteer hours! Thank you for your prayers and encouragement. We have become ONE; a faith family bound together in love and with the common vision of sharing the healing love of Christ with our community. To God be the glory.

Truly He taught us to love one another; His law is love and His gospel is peace. Chains shall He break, for the slave is our brother, And in His name all oppression shall cease. Sweet hymns of joy in grateful chorus raise we; let all within us praise His holy Name. Christ is the Lord! O praise His name forever. His power and glory evermore proclaim. (O Holy Night)

His Light Through Me

I was having trouble hearing God's voice, even though I prayed constantly. My life felt as if I moved from one crisis to the other. At my healing prayer session, I told some of my story to the prayer ministers and then we moved into "soaking" time with quiet music playing. Instantly, God brought me a memory of when I was baptized in the Holy Spirit at an LLP service many years ago. When I received prayer, the man who had touched my hand took a few steps back. He said he had never received power from someone he was praying for. I also remember seeing a very bright light as he prayed. The prayer ministers encouraged me to focus on that bright light. I sensed Jesus with me, standing before me. I heard in my heart Him say, 'I am right here'. Somewhere along the way, I sensed him say, 'let your light shine'. One of the team read a prayer called To Glorify God. Within the prayer it said that it is not in my own strength, it's the Lord who energizes and creates me the power and desire to do His good work. As I pondered the light, His presence, and the Truth in those words, I knew that I had re-connected with my God. I have a renewed confidence that He's with me and will provide all that I need so that I can let His light shine through me to others. Praise God.
