Jesus is *for* us

The unconditional love of Christmas brings freedom for all of us.

Giving up all of Heaven, Jesus chose to come to earth and be born as one of us, as an infant who was human, fragile, needy, and subject to the forces of a fallen world.

This new year, allow Jesus's unconditional love to release you from striving, from judgement, from working to earn God's love, from thinking our achievements or failures are of any consequence to how much Jesus loves us. His love is truly unconditional.

LLP prays for your freedom this year. Know Jesus is for you. He prays for you, and His gift of Holy Spirit is present for you. He loves you so much; He came to save you, embrace His love for you.

Lord help us see ourselves as the intricate, beautiful masterpieces that You see. Help us realize that we are each unique and magnificent like snowflakes.

Please keep all of them in your prayers, as they work to maintain a sober life and re-establish a firm foundation to nurture their children.

Healing Prayer Appointment Testimonies

I had a private healing prayer meeting just before Christmas. I was distressed over my one of my sons and whether he was going to be able to bring my grandchildren to see me over the holidays, or if it would be filled with drama, which is the new norm and affects me in a very negative way from a health standpoint. We prayed for God to intervene and focus on my son and his wife, and that I could be at peace with whatever happened and not stress out about it. Long story short, yet again, God is working not only in my life but in my son's as well. My son called me a few days later and was a different person. More of his old self was shining through. He brought the kids down and was here today and we had a great visit including lots of squishes (hugs) for my grandchildren from their Nana! Thanks be to God for continuing to work in my life and/or on my behalf.

It doesn't matter what the problem is, God is always watching, and I would highly suggest a healing prayer appointment. You never know what will become of it and answers take time to show themselves sometimes but, in the end, while we continue to pray, remember, God's got this! —Donna

Lucinda and Peter

Peter liked the "Hedge of Protection" prayer from *Prayers that Avail Much* by Germaine Copeland.

Excerpt: "Father, in the name of Jesus, we lift up Peter to You and pray a hedge of protection around him. We thank you, Father, that You are a wall of fire round about Peter and that you set Your angels round about him. We thank You, Father, that Peter dwells in the secret

place of the Most High and abides under the shadow of the Almighty. We say of You, Lord, You are Peter's refuge and fortress, in You will he trust.

LLP Newsletter Is Part of God Moments

Thank you for sharing the newsletter with me. I would love to be added to the recipient list. The image of the baby in the manger in the shaft of light was just beautiful! I was thinking of it this morning in journey group as we were talking about Jesus as the light of the world. And afterward, I turned on the TV to catch the funeral of Bob Dole. The Senate chaplain was speaking of how he knew that Bob Dole was comforted by the great shepherd as he walked through the valley of death, and that we would never be alone because of God's BREAKTHROUGH in Bethlehem! God moments! —Linda
