OUR FATHER

LLP celebrates fathers this month with some wonderful pictures sent in by our readers. And, as we remember and honor our earthly fathers on Father's Day, June 19th, we lift up hearts in praise to our Heavenly Father, the creator and sustainer of all things.

Fatherhood is important. Searching Bible Gateway for "father" brings up 1,103 results; the word 'father' is in nearly every book of the bible. Large sections of scripture in the old and new testaments are devoted to the lineage of fathers and their fathers. Jesus often talked *about* the Father, and he talked *to* His Father. He would say, *Very truly I tell you, the Son can do nothing by himself; he can do only what he sees his Father doing, because whatever the Father does the Son also does* (John 5:19).

God, our heavenly father, is all virtue, forgiveness, patience, kindness and love. That is why it is so beautiful to personally know God as your Father. He loves you and has a plan and purpose for your life.

At some point, all human fathers fall short – but not God. His ways are perfect, His love is pure, and His grace is amazing. If your earthly father relationship is poor or even non-existent, we pray that you spend time with your heavenly father to share your heart and gain His comfort and healing love. LLP is always available for healing prayer sessions, should you want to explore this in a deeper way.

UNFAILING LOVE

We are always learning more about the character of our heavenly Father and His kind intentions toward us. That is one of the reasons I am drawn to LLP's Tuesday night healing prayer service; a time of praise, peace, rest, and revelation. During the May 17th service, the message centered on Psalm 31:16 *Let your face shine on your servant; save me in your unfailing love.* The group was asked to consider 4 questions as we entered a time of soaking prayer.

Save us – Lord, what do I need to be saved from today (physical, emotional, spiritual, other)?

Bless us – Lord, how do you want to bless me today?

Restore us – Lord, show me how you are restoring me today.

Teach us – Lord, teach me your ways so that your way and your salvation would be known on earth.

This is what Holy Spirit brought to my heart and mind:

Save me from an incomplete knowledge of who you are. The great I Am, my heavenly Father. Solid, protective, creative. My Father who cares for me and always is in my corner.

Bless me with the confidence of knowing I have a heavenly Father who is perfect in love; who is patient and all-knowing.

Restore me to know my rightful place in heaven, but also on earth. Above all, I am a child of my Father God.

Teach me to be more like Jesus who always sought out and followed the Father's will.
