Jesus Christ is the same Yesterday, Today and FOREVER — Hebrews 13:8

LLP's mission has been the same since our inception: **to bring the healing love of Jesus to our community.** We continue to answer God's call by following the creativity and inspiration of Holy Spirit.

The same love of Jesus touches hearts at our weekly healing services, whether folks attend in person or on YouTube, Facebook or Zoom.

The same love of Jesus brings healing and peace during private healing prayer appointments.

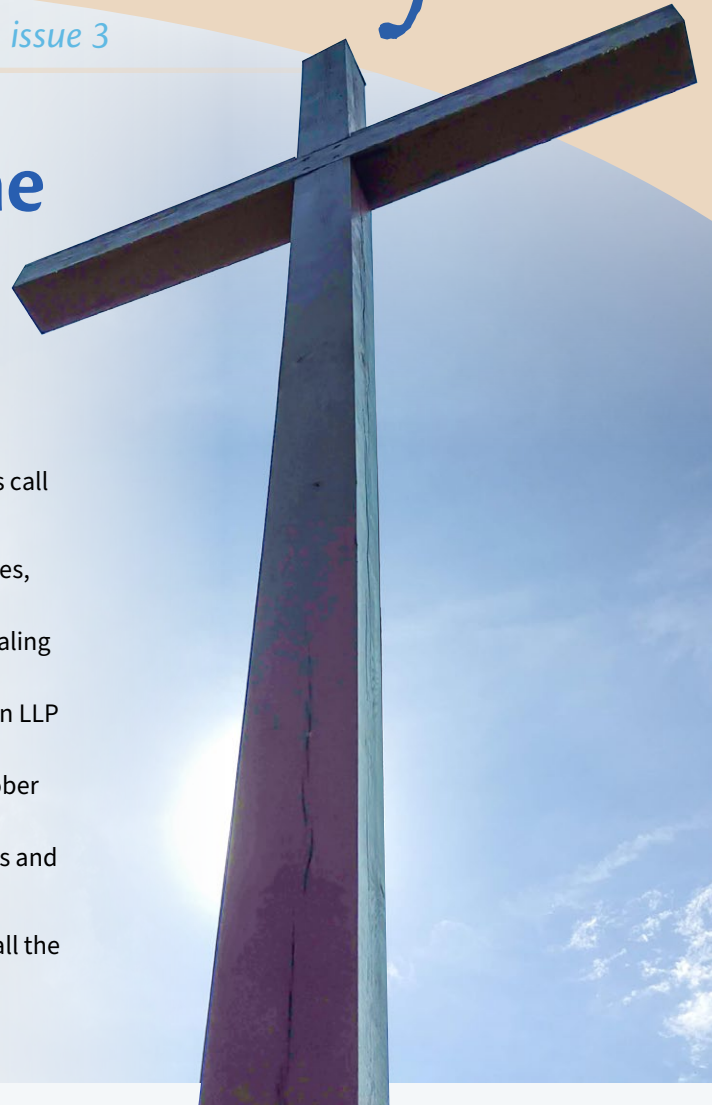

The same love of Jesus inspires as Holy Spirit reveals more of God in LLP small groups and studies.

The same love of Jesus restores and delivers men and women in sober homes and treatment centers.

The same love of Jesus overflows and refills folks at special retreats and healing conferences.

LLP shares the same love of Jesus and continues the same mission in all the ways Holy Spirit leads.

All Glory to God!

Pep Rally uplifts LLP's 2024 Summer *Something More* Conference

Whatever we can do to celebrate earthly occasions, wave flags, balloons, cheer, chant, sing, and make lots of noise with pool noodles, *we can do for Jesus!*

LLP volunteers are getting excited to experience and share the overflowing love of Jesus in June!

LLP gathered for a pep rally in February. We worshiped, prayed and celebrated all that God has done and is doing. *Register today and invite friends! (see last page)*

Did you know?

All LLP Healing Prayer Services are the same, yet different?

Every Tuesday night, LLP offers a healing prayer service to bring people and their concerns into the healing love of Jesus. Holy Spirit leads each service in unique ways to accomplish God's healing plans.

Usually, individual needs are lifted up, a short word is given, worship is offered,

and calming, healing music is played so folks can rest and refill in God's presence. Many times, at the end of the soaking time, people share inspiring testimonies of how God was working.

We host folks from all over! For example, our Feb 20th Zoom service hosted folks from NH, TX, FL, SC, WV and all parts of

MD. The services are a great way to invite an out-of-state friend to "come with" you and experience Something More with God!

March 5th is a special healing service focused on Sketching Your Prayers, presented by Edi.

LLP invited to speak at the *BLOOM Women's Retreat*

LLP's Lucinda Nelson and Judy Winfield were the keynote speakers at the women's retreat hosted by Lake Deaton United Methodist Church in Florida. The conference was attended by 167 amazing women who went to spend the day learning more about themselves and God in a safe, Christ-centered, Holy Spirit-led environment.

The key words for the retreat were Listen, Love and Pray, so our foundation was a natural fit! Lucinda and Judy gave three talks, one for each word, Listen, Love and Pray. They also facilitated 3 break out groups to dive deeper into those topics with the Healing Love of Jesus. Thank you God for using our foundation to share more of your healing love.

Your Kingdom Come

A New 7-Week Women's Book Study

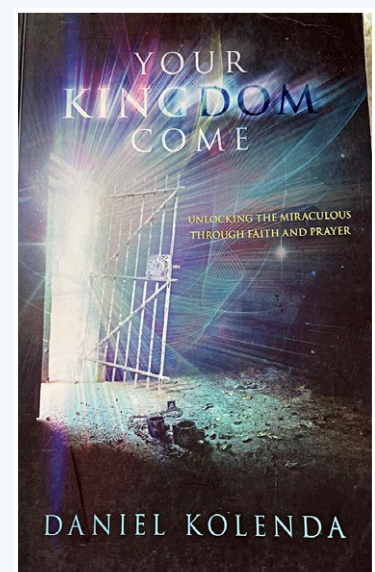

Wednesdays • 9:30 am • NBNC • Starts March 6th

LLP presents a new book study! *Your Kingdom Come* by Daniel Kolenda: Unlocking the miraculous through faith and prayer.

The disciples asked Jesus, Lord teach us to PRAY – **teach us to touch heaven and impact the earth** teach us to be fervent and effectual, to move mountains, break chains, impact cities and nations. The disciples realized that Jesus' secret lay in prayer, a powerful communication with God. **Intercession is not a human invention; it is God's plan.** Jesus is a man who knows that there are no limits to what God can do if we, his children, come before Him in expectant prayer!

What to expect: a warm and friendly group of ladies from many different churches, an atmosphere filled with the love of Jesus, a safe space to learn and grow, an open discussion on content and how it relates to our lives

With only 9 chapters, including "Prayer that Opens Doors," "Praying Under an Open Heaven," and "Prayer that Releases the Miraculous," the book moves fast. Join us!

Experience Lasting Change in a Christ-centered, confidential study group

What we think changes our brain and body. Thoughts are real, physical things that occupy mental real estate. Our brains are neuroplastic – they can change and regrow.

Moment by moment, every day, we can change the structure of our brain through our thinking. When we hope, it is an activity of the mind that changes the structure of our brain in a positive and normal direction.
