A Season of Gratitude

LLP volunteers and families holding their personal gratitude signs at the LLP Volunteer Appreciation Picnic

LLP's 'Season of Gratitude' started in September at the Annual LLP Volunteer Appreciation Picnic. The board of Directors hosted a wonderful time filled with food, fun and fellowship. This special time of appreciation and thanksgiving allows LLP to get together with their families to celebrate all the amazing work Jesus has done through LLP's 'hands and feet'.

Food, friends, family, fellowship, and lots of FUN at the picnic!

So Thankful

I can never be thankful enough for how Jesus works so powerfully through Listen Love Pray! The in-person Healing Prayer service, with communion, is one of the many special times at LLP. Taking communion is so sacred and I can't help but be so humbly grateful for the saving grace of Jesus! There is something about taking **communion in COMMUNITY**, as God intended, all hearts unified in seeking God above all else and receiving the cleansing, restoring, healing, liberating, unmerited favor and LOVE of Jesus.

At the September service, after communion and the lesson, we were soaking in prayer and soaking music. I felt washed by these **gentle waves of living water**. I felt the **tender LOVE of Jesus** and never wanted to leave it. At some point, I was so overwhelmed by gratitude, I went up to the altar to fall at the foot of the cross to somehow express my thanks and praise. It was there, I **received an answer I was waiting on**, but the answer was not just a simple Yes, but **so deeply personal there is no way to deny it was from Jesus**, just for me.

At some point, I saw someone I love praying at the altar. I moved to pray for her and gently laid my hands on her shoulders. As soon as I did, I felt this incredible love of Jesus for her and this power of Holy Spirit flow through me into her. I had this **revelation** that Jesus doesn't need us to do his healing work, but He **wants** to use us to perform His miracles, just like he used that willing little boy and his disciples to feed thousands.

This year people had a chance to write down something wonderful they experienced in their service to Jesus. Folks wrote about freedom from worry, healing of hearts, healing of long-time hurts, being set free from pride, deliverance from evil, healing of souls, healing from past trauma and unforgiveness, feeling the healing presence of Jesus, healing during family struggle with Alzheimer's, finding our freedom in Christ, healing from severe

COVID, a mother's blessing, clarity of life purpose, assurance that Jesus has a clear vision for their life, unexplainable peace, healing of boo-boos, freedom from addiction, family is closer to reconciliation, healing and peace during heart surgery.

LLP is so grateful to Jesus and His gift of Holy Spirit to show us His amazing kingdom displayed on our earth. All Gratitude to God.

Holy Spirit Synergy in Service

Lucinda, LLP's executive Director, wrote a moving email to a recent LLP team. This team prays and works to help the men in recovery at FRM's Beacon House. Lucinda recognized that their work held a powerful time of healing for the men in attendance. She feels that synergy in the Holy Spirit is something unique and wonderfully important to LLP. She prays that all of LLP continues to work in this Spirit Synergy for His Kingdom.

Subject: Beacon House - Holy Spirit

I woke up with the realization that Holy Spirit was able to flow powerfully last night at Beacon House because of the synergy of our team.

Each of you contributed to introducing who we are and what LLP does and why we do it.

Edi's opening prayer was beautiful.

Then, as the lesson proceeded, the Spirit continued to bind us together with each other - and with Him - through all of your impromptu responses, answers that were not thought up in advance, but directed by Him.

Even the way you all were positioned in the room was a form of God surrounding the men with his love and care.

And the prayer time, with ample time to listen, gave each man an opportunity to personally receive the love of Jesus through our hands and words, and be blessed.

And the impromptu closing prayer by Ken, with the music still playing was powerful.

I am so grateful to be part of this team!

Synergy. With each other. With God. In love. United for a Kingdom purpose.

All glory and praise to our Lord

then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind —Philippians 2:2

I appeal to you, brothers and sisters, in the name of our Lord Jesus Christ, that all of you agree with one another in what you say and that there be no divisions among you, but that you be perfectly united in mind and thought. —1 Corinthians 1:10

Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you. —2 Corinthians 13:11
