Healing Prayer Hotline

A curious thing happened last year. We began receiving phone calls from people across the country asking, “Is this the prayer line?”

At first, we were surprised. But as the calls continued, we began asking how they found us. Every caller gave the same answer:

“Your number came up on Google as ‘the prayer line.’”

We took this as a divine nudge. ✨

This year, Listen Love Pray Foundation will launch a Healing Prayer Hotline — we invite you to be part of helping shape this new outreach.

If you are interested in supporting, praying into, or helping structure this ministry, please join us for a Zoom meeting:

Monday, February 9th

 **6:00 PM**

 **For Zoom link - contact
lucinda@listenlovepray.org**

This new ministry will be advertised through Google Ads and will offer a free, confidential space where anyone can call to receive prayer from a trained volunteer. Whether someone is facing a crisis, loneliness, grief, or simply needs to feel God’s love, a caring voice will be there to listen, love, and pray.

**1 Thessalonians
5: 16-18
Rejoice always,
pray continually,
give thanks in all
circumstances**

Kelly, Linda and Vicky at Solid Ground Recovery

God was moving powerfully today at Solid Ground Recovery. Holy Spirit flowed through our discussion, opening hearts and awakening a deep yearning to follow God's will.

This was the second morning LLP held a Bible study and prayer time in addition to our evening programs. One woman arrived first, and soon others joined. Two ladies later shared that they hadn't known about the meeting but felt led by God to stay and participate when they heard the Bible discussion.

"I have always loved you," says the Lord... "Return to me, and I will return to you," says the Lord of Heaven's Armies. Malachi 1:1-2, 8-9

The group discussed how self-will takes over in addiction and creates distance from God. We prayed for each woman and God's presence brought renewed hope and strength. All glory to Him.

June 25-27, 2026 Healing Conference
