Summertime of Stepping into the Healing Light of Jesus

Attendees at LLP's Something More Conference

Listen Love Pray Foundation is called by God to do exactly what our name states.

We **Listen** with the unconditional **Love** of Jesus and then **Pray** as Holy Spirit leads. As we follow His way and His timing, quite often recipients step into the healing love and presence of our living God. His presence changes everything, and all things become possible with **Him**!

One might think summer would be a slower time for our ministries, but as you can see, God continues to lead hurting people to LLP to find healing. Thankfully, our volunteers are compassionate, dedicated folks who respond every time we call. May God be glorified as we share what He has done!

Here is a glimpse of how God was at work through LLP over a span of 10 summer days (June 29 – July 8, 2025), serving 191 people!

- June 29** 19 men at Frederick Rescue Mission came to LLP's recovery program
- July 1** 119 people attended our 1st Tuesday healing service, both in-person and online.
- July 3** 10 men in long term recovery attended the RICH program.
- July 7** 11 women in a local sober home attended Step into Serenity recovery program.
- July 8** 20 people attended the Zoom 2nd Tuesday healing prayer service
- June 30 – July 5 (Monday to Saturday)**
12 different individuals received private healing prayer sessions.

Jesus' Healing Light Shines on Something More Conference Attendees

Jesus' Healing Light Shines on Men in Recovery

Every 4th and 5th Sunday night, LLP gives a recovery message and prays for each individual in the Changed Life Recovery Program at the Frederick Rescue Mission. On June 29, 2025, Sarah spoke on Building Blocks of Prayer: *Simplicity Honesty Perseverance*. Here are some of their responses

Describe a time when prayer changed your life?

- When my brother and I prayed for change in my life
- Two months ago, when I was homeless and God answered my prayers and led me back to the Mission

Describe a time in your life when it was hard to pray?

- In my teenage years when I was deep in addiction
- When my father and brother died – it is still hard to talk about
- When my wife gave up on me for a little while
- During the time after we lost our cousin - the rock of my life
- At work, day to day, having to deal with the hardships of working
- When I am upset for things that were not in my control and happened to me

What do you pray for?

- I pray for guidance, strength, and understanding for the grief of the death of my brother
- I pray that I never forget how much God loves me and that my family receives His love as well and comes to Jesus

Please join us in holding these men up to the Lord; for them to feel the love of Jesus and receive His mercy and grace to help in their time of need.
