The Healing Rain of Jesus

LLP springs into action whenever people express a desire to learn more about healing prayer. We get excited because we know that blessings will flow into open hearts and minds, and similar to the earth's season of Spring, God's living water will bring new life and beautiful transformation.

The ground receives a blessing from God when it drinks up the rain that regularly comes and falls on it and yields a useful crop for those people for whom it is being farmed. —Hebrews 6:7 (CEB)

On March 20th LLP held a 3-hour training for people from Gettysburg, Westminster, Littlestown, and Thurmont. After short segments of teaching, small group discussions, and practice prayer sessions, participants were amazed to experience Holy Spirit speaking personally to them! One attendee said that the focused scripture reading seemed to be written just for him, with the words speaking directly to his current circumstances. Another participant received the peace of Christ in place of pain, and yet another wanted to remain enveloped in the healing love of Jesus all day long!

A special thanks to our volunteer team: Ted Winfield, Karen Moser, Karen Poetsch, Brenda Algots, Judy Winfield. These individuals overflow with God's grace and love; they exude the sentiments of the entire LLP family—it is a gift and an honor to serve others and witness Jesus working in people as He replaces human

pain with His peace, and brings healing and restoration to broken hearts and bodies. As always, we are deeply grateful to the congregation of NBNC who graciously allow LLP to use their church building! The next “How to pray for healing” workshop is on Saturday, August 9th from 9:30 am–2:30 pm at NBNC.

Help to Plow the Ground of Any Hard Heartedness

Prayers that Heal the Heart

Plant the good seeds of righteousness, and you will harvest a crop of love. Plow up the hard ground of your hearts, for now is the time to seek the Lord, that he may come and shower righteousness upon you. —Hosea 10:12 (NLT)

Join us in April for the study: *Prayers that Heal the Heart*

“Learn how you can experience healing of the wounds in your heart by applying seven specific prayers to each heart wound. They are not a magic formula that require nothing of you but rather ways of praying that, when entered into in faith in Jesus Christ, bring victory and release from the deep pain of your spirit.” (Mark and Patti Virkler).

Starting April 15

This powerful series of 5 classes include teachings, group discussion and individual workbook time. Led by Ken and Lucinda Nelson, participants will meet on Tuesdays, April 15, 22, and 29, from 7:00–8:00 pm on Zoom (as part of the healing prayer service) and in-person at NBNC on Thursdays, April 17 and 24 from 7:00–8:30 pm. (Those out of state may participate via Zoom on Thursdays). Donation: \$15

Jesus' Healing Love Rains down on Men in Recovery

LLP had 53 encounters with men in recovery during our six recovery programs in March. Our teams served meals and had deep discussions about righteousness and Bible passages during our RICH (Recovery In Christ's Healing) programs at the Frederick Church of Christ. On two Sunday nights LLP taught about

Loving God and Codependency, as well as, prayed with each individual in the Changed Life Recovery Program at the Frederick Rescue Mission. Our teams also prayed for men during a Saturday healing prayer "blitz" at the mission. And, for the newest residents, we held an open discussion at The Mission about perseverance.

All teachings are based on scripture. We are blessed to witness Jesus guiding the men in their steps to recovery.

powerless over drugs and alcohol and that my life has become unmanageable.

Please pray for Matt as he begins a new job on April 1st as the Night Manager of the Changed Life Recovery Program!
