==== Amazing Things Are Happening Here! ====

*"We, and our court, do our best to help our kids and their families get on the right track. Our philosophy is to leave no stone unturned in providing them with the resources they need to lead well adjusted, productive lives."*

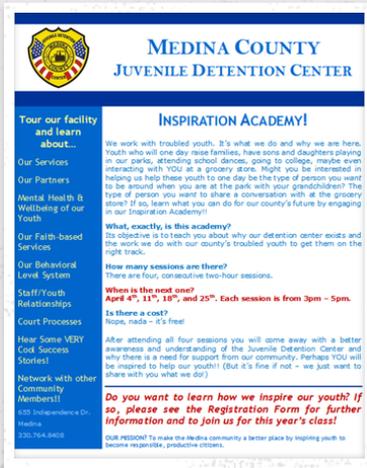

## Juvenile Court - Judge Kevin W. Dunn

I am continually impressed with the rollout of services and programming flowing from the JDC in an effort to build a culture of success. Many juvenile residents have not been exposed to, nor accepted the fact that the community wants them to improve their outcomes to reach success.

Efforts from the JDC staff have continually attempted to breach this void. Whether a resident is there for a brief or long term commitment, juveniles are provided a bevy of opportunities to receive mental health treatment, substance abuse counseling, schooling and credit recovery services, to participate in resumé seminars, Art Therapy, Music Therapy, employment fairs, and to be exposed to numerous speakers including authors, and individuals who have overcome obstacles and stand as examples of "getting it done" despite the odds against them.

Most in our community have no idea what occurs in our building; often believing the JDC is part of the adult jail. The JDC is not merely a "building", but rather a place where we begin building young adults for the future. Stop in and see for yourself; or better yet join the upcoming Inspiration Academy to receive a hands-on view and judge for yourself as how Medina County is doing with troubled youth.

**We work with troubled youth. It's what we do and why we are here. Youth who will one day raise families, have sons and daughters playing in our parks, attending school dances, going to college, maybe even interacting with YOU at a grocery store. Might you be interested in helping us help these youth to one day be the type of person you want to be around when you are at the park with your grandchildren? The type of person you want to share a conversation with at the grocery store? If so, learn what you can do for our county's future by engaging in our Inspiration Academy!**

**What, exactly, is this academy?**  
Its objective is to teach you about why our detention center exists and the work we do with our county's troubled youth to get them on the right track.

**How many sessions are there?**  
There are four consecutive two-hour sessions.

**When is the next one?**  
**April 4<sup>th</sup>, 11<sup>th</sup>, 18<sup>th</sup>, and 25<sup>th</sup>. Each session is from 3pm - 5pm.**

**Is there a cost?**  
Nope, nada - it's free!

**After attending all four sessions you will come away with a better awareness and understanding of the Juvenile Detention Center and why there is a need for support from our community. Perhaps YOU will be inspired to help our youth! (But it's fine if not - we just want to share with you what we do.)**

**Do you want to learn how we inspire our youth? If so, please see the Registration Form for further information and to join us for this year's class!**

**OUR MISSION: To make the Medina community a better place by inspiring youth to become responsible, productive citizens.**

## Trivia Question of the Month!

## Music Therapy Helps Residents With Emotions

Madeleine Silver-Riskin, a senior at the College of Wooster majoring in music therapy has started to work with our youth to provide music therapy. Madeleine started in mid-February, under the supervision of her teacher Lalene Kay. Maddie provides two forty-five minute

sessions working with three to five residents at a time over the next eight weeks.

## **True Rock Stars Don't Hate**

During the month of February, our residents heard from Todd Waites. Todd is a one-armed amazingly talented keyboardist. Todd lost his right arm to cancer as a teen. He spoke about the difficulties and challenges he had to overcome to achieve his dream of being a rock star. Today, Todd is one of the most sought after keyboardists in the world and has played with Journey, Rick Springfield, Whitesnake, Foreigner, Styx, and many others. He was extremely entertaining and engaging with the residents and stressed the value that they have in God's eyes. A big thank you to Dave Mueller, the CEO of RICO Manufacturing for sponsoring this session!

# Donations Wanted!

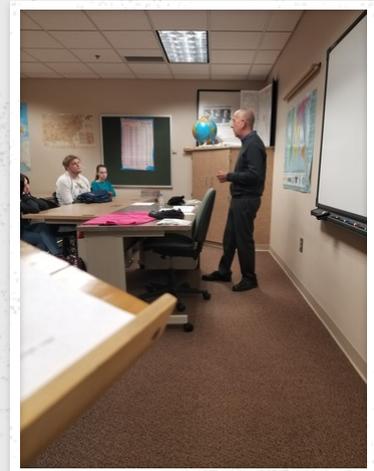

The theme for the 2019 Art Experience event is "Where Words Fail, Music Speaks." We are currently looking for donations of the following:

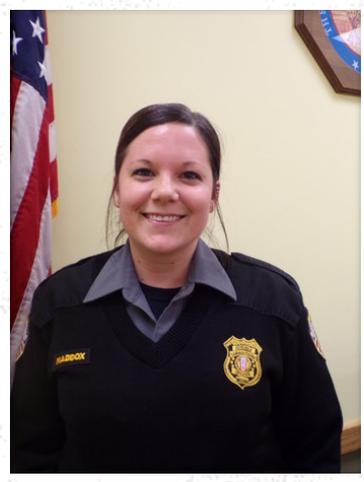

- old sheet music
- instruments (working or not)
- instrument cases
- picture frames

Donations can be dropped off at the Medina County Juvenile Detention Center during normal business hours.

## Medina High School Presentation

Superintendent Stollar and Assistant Superintendent Millikin gave several presentations to juniors and seniors in sociology classes at Medina High School. They covered several topics such as the court process, daily schedules of the youth, programming, and the most common crimes that bring youth to the JDC. Many of the students were quite surprised at some of the things they learned. Did YOU know our residents don't watch any TV while they are at the JDC? Neither did they!
