BINGO Cards

Cut out the cards below and shuffle them. Read the sight word to your child or students to see if they can find the word by reading it. Get four in a row to win!

he	was	me	book	be
look	he	what	me	from
me	from	are	you	look
you	look	book	what	are
are	book	be	was	me

Bingo Squares

Cut out the squares to cover the words. Magnetic chips, unifix cubes, and counters work great too.
