

LIGHTING

A Complete Lighting Experience

Bring function, depth, and atmosphere to every space. KCD lighting solutions combine purposeful illumination with accent lighting to enhance the beauty and functionality of your cabinetry.

Proud to partner with

DESIGN WITH LIGHT

Performance by day. Atmosphere by night.

Connect with your KCD representative for compatible Tresco lighting options and ordering details.

A Complete Lighting Experience

Layer functional and accent lighting to bring depth, warmth, and atmosphere to the room.

TASK LIGHTING **Under-Cabinet**

A clean wash of light across work surfaces supports everyday preparation.

DISPLAY LIGHTING **Interior Cabinet**

Give glass door and display areas warmth and presence.

*Concept imagery shown for design inspiration. Product configuration and availability may vary.
