LA,

I am so satisfied with the repairs you did for me I feel compelled to let you know so in writing.

I agree with you that you are one of the good ones (Pro's) as you said, and I thank you very much for solving my problems so nicely.

I will pass along your cards with good recommendations.

May God's Blessings be with you always.

Sincerely,  
Mary M.

P.S. Don't Retire - I might need you again
