## RADAR 78 SHOWCASE FALL 2021

The Radar 78 Showcase is a premier training event like no other. This is a one day event that caters to 7th & 8th grade players to become comfortable performing in front of college coaches. They will also hear directly from college coaches on how to become a great showcase player, all while training alongside middle school players that are performing at the highest levels in middle school at this point in time. All players in this showcase training event will be divided up into high paced stations and coached by established professional Division 1 college coaches from around the country.
