Camp Check-In, Drop-Off, & Pick-up Information

- **CAR LINE PROCEDURES THIS YEAR** – at this time, the University has approved our camps with the understanding that we would avoid having non-campers, e.g. parents, grandparents, around the facility, the campers and the staff. Therefore, we will be operating a car line for drop-off and pick-up this year. **Please enter the tennis center parking area from SHOREFAIR DRIVE, drive down along the side of the INDOOR tennis center, make a right after going under the archway, and pull up to the front door. We will start accepting drop-offs each day at 8:45 AM for the morning session and 1:15 PM for the afternoon session.**
- **CAR LINE PICK-UP** – similarly for pick-up, enter at Shorefair and proceed down along the indoor courts, make a right and then pull forward. We will ask you at the front door who you are picking up and have that child come out to your car. Pick-up will start at 12:00 or 4:30.
- **THANK YOU in advance for your patience and understanding of the University's expectations for camper drop-off and pick-up as well as the expectation that parents, grandparents and sitters are not allowed out of their cars to spectate this year.**

Indoor and Outdoor Court Usage/Sunscreen

Please come to camp having already put on sunscreen. Our afternoon camp will definitely be trying to use the outdoor courts as much as possible so afternoon campers should expect to start each day on the outdoor courts. Our morning campers can expect to be outside more than in the past. **As of mid-May, we have been told to expect campers to have to wear a mask when playing inside.** As of May, campers who are unable to socially distance on the outside courts may be asked to wear a mask on the outdoor courts as well.

Meals and Snacks

There will be no meals during camp times this year. Campers, especially our youngest campers, are encouraged to bring a small snack that can be eaten during a 5-10 minute mid-morning break. For the safety of all our campers, please do not send a snack that contains any nut products.

Water

Campers should bring their own, **filled water bottle**. We recommend one that is large enough, e.g. ½ gallon, and insulated enough to last through the 3-hour session. We will have a

designated staff member who can refill water bottles if needed. Due to social distancing guidelines, Gatorade will not be available at this summer's camp.

Banned Substances

Drugs, alcoholic beverages and cigarettes are strictly forbidden and are grounds for dismissal without refund.

Cancellations and Refunds

A full refund minus will be issued if refund request is made more than 14 days prior to the start of camp. Within 14 days, a \$50 service fee for cancellation will apply. No refund for cancellation within one day of the start of your camp session.

What Not to Bring

We recommend that campers not bring valuable items such as iPads, video game consoles, laptops, etc, to camp. Wake Forest, the Tennis Camps @ Wake Forest University and the Wyshner School of Tennis, LLC are not responsible for lost, stolen or damaged items or money during your stay.

Do bring the following:

- Tennis Racket or rackets – labeled
- Tennis Shoes – no running shoes allowed on court

- Hat
- Water Bottle
- Your smile and enthusiasm
