The town is getting cut to pieces by Bogus gatling gun. Faraday makes a suicide ride to take it out. Goodnight and Billy give him covering fire until they're gunned down. After being hit several times, Faraday staggers and crawls up to the wagon. He looks at the gunman and asks does anyone have a light. One of the gunman steps away from the gun and offers Faraday a light. The man just happens to have only one eye. Faraday takes a puff and then falls forward. A moment later he sits up with a lit stick of dynamite and states "I've always been lucky with one eyed Jacks."
