

Best Practices

All products are prepared, baked, and packaged in my home kitchen which is not allergy-friendly. Although we use best practices to avoid cross-contamination, there is no guarantee that the products produced will be free from potential allergens. There is always a risk of cross-contamination to occur and I cannot guarantee the ingredients or tools used have not come in contact with them.

Food Allergy Disclaimer

All sweet treats may contain or come in contact with common allergens such as dairy, eggs, wheat, gluten, corn, soybeans, tree nuts, nuts, peanuts, fish, shellfish, and bananas.

Food Coloring Disclaimer

Dark-colored frosting and airbrushed details may change the color of your mouth.

Those with allergies and intolerances are advised to eat at their own risk or seek out a bakery that has allergy/intolerance-friendly products.
